Kelley,2020-01-14 About 20 years ago when I started taking my walk very seriously having realized the gravity of the situation I was bothered by the fact that so many different doctrines dogmas or views were being taught or preached from One Book The HOLY BIBLE It seemed to me that One Book The inerrant word of God should have only one message It seemed obvious that many views had to be in error And that s what started me on this quest to find out for myself which views were right and which were wrong I became in effect a Berean one who makes sure by studying scripture that what is being preached is true or not Of course there are several other views out there deserving of a closer look but if you have any doubts about what is being preached in your church do what I did Take your own closer look **Battles in the Promised Land** Jacob Haywood,2024-03-11 Many Christians have the underlying belief that if they are truly following Jesus they will be exempt from suffering in this life As a result they are often surprised when they go through hard times and are likely to experience doubt hopelessness and anger toward God But what if God s chosen means of blessing was through suffering Would you choose that path Through the author s personal story of suffering the loss of his twin sister in the prime of her life and through biblical examples of sufferers who have gone before Haywood outlines in this book how God is faithful amidst our suffering and how the abundant Christian life here on Earth is still possible if we are willing to fight for it No matter the battle you are facing know this God is fighting with you going before you standing in front of you and guarding behind you Even in your suffering he is leading you to the abundant life he has promised Based on that reality you can view whatever situation you are in with hope
