THE FLIGHT OF THE SILVER SHIP AROUND THE WORLD ABOARD A GIANT DIRGIBLE Hugh McAlister, 2024-02-04

Darn it he said Of course I owe it to you three fellows to give you all the dope but I certainly hate to drag my affairs in Still after all our planning I can t leave you without an explanation You know I live in Denver with my mother and two sisters Boys I ve got the finest mother and the sweetest kid sisters Mother works She never gets a vacation couldn t even come to my Commencement Gosh It made me sick And my older sister she s sixteen has heard me tell all about you fellows and she was so crazy to see you and the school and everything But they couldn t make it Too much car fare Why you big stiff cried the tall boy angrily Why didn t you say something Mother and father came right through Denver All your folks could have come on with them in the car

The War of the Givens Daniel Price, 2024-03-19 X Men meets Blake Crouch in the explosive conclusion to Daniel Price s genre bending Silvers trilogy about six extraordinary people whose fates become intertwined on an Earth far different from our own one that is headed for utter destruction It s been two years since the world collapsed in a sheet of light obliterating everything on Earth but not quite everyone Saved from the apocalypse by three mysterious beings sisters Hannah and Amanda Given were marked with silver bracelets along with four other survivors from their native world and transported to an entirely different Earth a place where the fabric of time is manipulated by common household appliances Afflicted with time bending powers they never wanted and on the run from unexpected new enemies the Silvers embarked on a dangerous journey for survival across an alien America a hunt for answers that bound the group like family while revealing the gravely sinister intentions of their so called saviors But their new Earth is about to suffer the same fate as the old one and the Silvers have only ten weeks to prevent it Their one hope is to find the remaining survivors of their home world a quest that will take them from Mexico to England to a radically changed Japan to gain more allies for the final confrontation with the godlike beings who first brought them to this Earth Failure will mean death for billions of people But victory may come at a cost the Silvers can t afford

The Song of the Orphans Daniel Price, 2017-07-04 The thrilling second novel in the category defying Silvers trilogy melding X Men and the novels of Blake Crouch about six extraordinary people who become unwitting refugees on an unfamiliar Earth and their epic quest to find out why The end of the world was just the beginning for Hannah and Amanda Given Saved from apocalypse by three mysterious beings the sisters along with four other refugees from their world were each marked with a silver bracelet and transported to an entirely different Earth a place where restaurants move through the air like flying saucers and the fabric of time is manipulated by common household appliances as well as by their very own hands and a place where terrifying new adversaries seem to be around every corner Now after six months in this alt America and a tumultuous cross country journey that landed them in New York City the Silvers find themselves in more trouble than ever Their new world is dying and a clan of powerful time benders believes that killing them is the only way to stop it To make matters worse the U S government has sent its most ruthless covert spy

agency to track and capture them But the biggest threat of all comes from the three god like beings who first saved them They had a reason for bringing the Givens and their friends to this world And when the Silvers learn the awful truth nothing will ever be the same The Silver Series Boxed Set (7 Books) Cheree Alsop,2016-12-19 This is the boxed set of the complete Silver Series The Silver Series is a series about teenage werewolves trying to survive in today s world They face the trials and joys that come with being a teenager as well as the additional challenges of a werewolf The Silver Series consists of seven books all of which are included in this set Book 1 Silver book one of the Silver Series is a coming of age story about a teenage werewolf whose father is murdered He has to come to terms with his new life new school and new friends while trying to prevent more killings Attempting to make peace with the territory s pack and finding out that the girl next door might be more than she lets on make his situation even more perilous Book 2 Black is about a werewolf raised through the atrocities of a werewolf fighting ring He is rescued and given the chance at a new life but haunting reminders of his past follow him as he tries to make a fresh start He has to confront his dark history in order to protect the girl he loves or let himself be swept away into the pain and humiliation of the arena once more Book 3 Crimson the third book of the Silver Series is about a teenage boy who dies in a car accident and awakens a werewolf Burdened with heavy guilt over his sister s death in the same accident Kaynan escapes with a blind girl named Grace who gives him purpose and direction They seek shelter with a pack of werewolves who brave dangerous odds to help them Kaynan is given the ultimate chance to make up for his poor decisions but dying again might be the only way to redeem himself Book 4 Violet the fourth book of the Silver Series is about a teenage girl who awakens to the harsh reality of life as a werewolf Protected by a wild werewolf with golden eyes Colleen finds solace in his forest and control over her rapidly changing life But Colleen s control is put to the ultimate test when her loved ones are in danger forcing her to choose between freedom or returning to the source of her nightmares Book 5 Azure the fifth book of the Silver Series is about an alpha werewolf who rescues a human from the vengeful grasp of his pack Nora is the only person who is not afraid of Vance s size or strength and in return she gains his respect When Vance is pushed to the edge of survival his heart is torn between loving Nora and a werewolf who befriends him with the kindness that is greatly lacking in his life Book 6 Hunter the sixth book of the Silver Series is about Dray a werewolf who feels trapped and alone in his small farming town He struggles to find his place and fit in despite his differences then Dray s world is shaken when a cute girl shows up the same time as a vengeful wild werewolf pack With Jaze s help Dray fights to protect his town but when Jaze is in trouble Dray puts everything on the line to help the werewolves who changed his life Book 7 Silver Moon the seventh book in the Silver Series is about Jaze as he fights to hold onto the peace he has achieved for the werewolves Tensions rise ultimatums are made and Jaze is forced to make a decision that will change everything for werewolves hunters and humans alike Hearts are broken lives are forfeit and Jaze s pack is called upon to save those who survive **NASA Technical Note ,1976 Standard-bred Wyandottes, Silver, Golden, White, Buff, Partridge,**
