

A full-page illustration of Sherlock Holmes in a dark, misty forest. He is wearing his iconic brown deerstalker hat and a dark coat. He is crouched down, holding a magnifying glass in his right hand and a small object, possibly a pipe or a cigarette, in his left hand. The forest is dense with tall, thin trees, and a path leads into the distance. The overall color palette is dark and moody, with shades of brown, black, and a hint of green from the foliage.

the Resident Patient In some later U S editions of the Memoirs which still omit The Adventure of the Cardboard Box this transfer still appears Doyle had decided that these would be the last collection of Holmes s stories and initially decided to get him killed in The Final Problem However public pressure forced him to write the character again in The Hound of Baskervilles and resurrect him in the forthcoming The Return of Sherlock Holmes
