**What Is the New Jerusalem?** David Jensen, 2023-02-09 We all know about how we were taught that when we die we will stand before Peter at the pearly gates and he holds a book determining if we are worthy of entering the gates of heaven. We were told we will be running down streets of gold and having a mansion we reside in this enormous cube extending 1500 miles in all directions. But have you really thought about that? Have you considered how strange that would look on the earth? When I began studying that I noticed that it is not mentioned in scripture. But what is mentioned is the description of the bride of Christ. In Revelation chapter 21 John is describing the bride as a beautiful city and not a literal super cube coming down. In this book I will go verse by verse explaining this description so you can have an accurate knowledge of the Word of God.

The New Jerusalem in the Book of Revelation Pilchan Lee, 2001 There is a development between expectation for the rebuilding of the New Jerusalem Temple in the Old Testament and the coming of the New Jerusalem Temple in Revelation. In Revelation there is a dynamic relation between the New Jerusalem and the Heavenly Jerusalem. The New Jerusalem is the descent of the Heavenly Jerusalem. Moreover, there is no Temple building which was expected as the eschatological promise in the Old Testament, but rather God and the Lamb is the Temple. How can this shift be explained? Pilchan Lee examines the exegetical tradition which existed between the Old Testament and Revelation. He assumes that as the exegetical tradition, the early Jewish apocalyptic literature functions as a key element for forming the idea of the New Jerusalem in Revelation. John's main argument is that the church, which is symbolized by several images, is placed in heaven now (chapters 4, 20) and the church which is symbolized by the New Jerusalem will descend to the earth from heaven in the future (21, 22).

**The New Jerusalem in the Revelation of John** Bruce J. Malina, 2000 There are two major entities at the close of the book of Revelation that explain the author's understanding of forthcoming life with God: the Celestial City, the heavenly Jerusalem, and the cosmic Lamb. The marriage of these two marks the concluding highpoint of John the Seer's work. What are the entities in question? How do they marry, and what is the significance of that event for those who believe in Jesus as cosmic Lord? In *The New Jerusalem in the Revelation of John*, Bruce Malina offers insights into the concluding Vision of the book of Revelation to assist Bible readers to understand what the Visionary of Revelation said and meant to say to his first-century Mediterranean audience. *The New Jerusalem and the Revelation of John* sets out comparative models of what sorts of cities existed during the time of the New Testament and what it meant to live in an ancient Mediterranean city. It further explains the significance of the celestial marriage of the City and the Lamb. The result is a set of reading scenarios that describe and explain Revelation's closing Visions, which mediate the theology of John the Seer. The definition and comparative model of the city in *The New Jerusalem and the Revelation of John* is also useful for persons interested in understanding those first urban members of Jesus groups addressed by other New Testament documents. *Preparing for the New Jerusalem* Carol L. Briggs,2011-06-07 WAKE UP YOU SLUMBERING CHRISTIANS This author has never written a book before and had never planned to until the Lord woke her early one morning at 4 30 A M September of 2009 and very clearly said Type this title on your computer PREPARING FOR THE NEW JERUSALEM She immediately jumped up turned on the computer typed the title at the top of a new document and has been on a spiritual whirlwind ever since Her story may be very much like yours encouraged to be self sufficient obsessed with getting a degree and then a career marrying and juggling career and family 24 7 In their family Sunday was the only time they even heard the name of Jesus mentioned in the worship service sermon and if she was tired and slept in on that morning never heard that name all week long let alone realized that she could have a personal relationship with her savior However read how all of the coincidences good and bad that were easily explained away at the time could actually with hindsight be traced back to the Lord being with her even from before conception and how it took her 45 years to wake up to that truth After you read about her adventuresome teaching career around the world her counsel to her brothers and sisters in Christ may touch just the right chord to give you a wake up call for Jesus in these last days *The New Jerusalem, Planning and Politics* Arthur Kutcher,1975 *Priesthood and Temple in John's Apocalypse* Timothy B. Tse,2024-12-12 Timothy B Tse argues that while John uses language drawn from the Hebrew Bible s descriptions of YHWH s dwelling place scholarship has overlooked the importance of his spatial transformation of that language Tse thus uses theories relating to Relevance Resistance Theory Critical Space Theory and Conceptual Metaphor to demonstrate that a significant part of John s apocalyptic strategy of resistance is to re present his vision to his audience spatially so that they can experience a divinely ordained alternative to the world in which they live Tse first demonstrates John s attempts to relegate his audience s experience of space to his own revelation John s description of the visionary world creates the metaphors the earth is a Sanctuary and the Saints are its priests Tse argues that under this view life on earth must be evaluated according to the concerns of the Sanctuary which by definition requires the removal of everything impure and the Saints namely all Christians in both the historic and visionary worlds must take priestly responsibility for the earth John therefore portrays the Saints joining in the removal of all impurity upon the earth by fighting as priests in God and the Lamb s war against Satan Babylon and all her impurities Tse concludes that overall John means to realign the church s experience of space so that they understand themselves as priests of the Sanctuary and live according to that reality **The Liturgy of the New Jerusalem Church** General Convention of the New Jerusalem in the United States of America,1866 *The Harvest HandbookTM of Bible Prophecy* Ed Hindson,Mark Hitchcock,Tim LaHaye,2020-05-12 Everything You Need to Know About the Last Days at Your Fingertips The Harvest HandbookTM of Bible Prophecy is a reference resource that provides a comprehensive overview of everything the Bible says

*Lions, Locusts, and the Lamb* Michael Kuykendall, 2019-01-28 The symbolism of Revelation has puzzled readers for centuries Every generation falls prey to extreme views of interpretation Even worse they minimize the importance of John s Apocalypse by not teaching or preaching

from it Yet Revelation is a profound work of New Testament theology and warrants a close study John expects and prepares believers to follow the Lamb through suffering and possible martyrdom The problem is centered on what the symbols mean Are they literal Are they symbolic Do the images refer to events and people in the first century or to the last days of planet earth Moreover how is the book structured Is it one vision four visions or more Are the visions linear or recapped Lions Locusts and the Lamb Interpreting Key Images in the Book of Revelation demonstrates a way to unlock John s structure and unravel his symbols The key is to follow a logical step by step interpretive approach that accents the historical cultural intertextual extratextual and particularly intratextual allusions and connections The result is a book that delivers the basic meaning of three hundred images and categorizes them into an accessible guide for teachers preachers and readers of Revelation
