set off an anti matter bomb **Star Trek as Myth** Matthew Wilhelm Kapell,2010-03-16 In the past the examination of myth has traditionally been the study of the Primitive or the Other More recently myth has been increasingly employed in movies and in television productions Nowhere is this more apparent than in the Star Trek television and movie franchise This collection of essays on Star Trek brings together perspectives from scholars in fields including film anthropology history American studies and biblical scholarship Together the essays examine the symbolism religious implications heroic and gender archetypes and lasting effects of the Star Trek mythscape **Letters of the Century** Lisa Grunwald,Stephen J. Adler,2008-04-08 Immediate and evocative letters witness and fasten history catching events as they happen write Lisa Grunwald and Stephen J Adler in their introduction to this remarkable book In more than 400 letters from both famous figures and ordinary citizens Letters of the Century encapsulates the people and places events and trends that shaped our nation during the last 100 years Here is Mark Twain s hilarious letter of complaint to the head of Western Union an ecstatic letter from a young Charlie Chaplin upon receiving his first movie contract Einstein s letter to Franklin Roosevelt warning about atomic warfare Mark Rudd s generation gap letter to the president of Columbia University during the student riots of the 60s and a letter from young Bill Gates imploring hobbyists not to share software so that innovators can make some money In these pages our century s most celebrated figures become everyday people and everyday people become part of history Here is a veteran s wrenching letter left at the Vietnam Wall a poignant correspondence between two women trying to become mothers a heart breaking letter from an AIDS sufferer telling his parents how he wants to be buried an indignant e mail from a PC user to his on line server Letters write Grunwald and Adler give history a voice Arranged chronologically by decade illustrated with over 100 photographs Letters of the Century creates an extraordinary chronicle of our history through the voices of the men and women who have lived its greatest moments The Daily Writer Fred White,2008-09-26 Make Writing a Part of Your Daily Routine It isn t always easy to carve out time to devote meaningful thought and energy to your writing Hectic schedules distractions and creative blocks all too often interrupt the dream postpone it for another day But with 366 provocative entries each addressing a specific facet of the writing craft and accompanied by an in depth reflection and a stimulating exercise The Daily Writer provides you with easy entry points into that elusive space where words matter most and helps you to embrace writing as a way of seeing the world Whether you re looking for a way to better integrate writing into your life get warmed up before you dive into a bigger work in progress or overcome an old case of writer s block The Daily Writer can help you establish and maintain an inspired devotion to the craft *Fake Physics: Spoofs, Hoaxes and Fictitious Science* Andrew May,2019-04-12 People are used to seeing fake physics in science fiction concepts like faster than light travel antigravity and time travel to name a few The fiction label ought to be a giveaway but some SF writers especially those with a background in professional science are so adept at technobabble that it can be difficult to work out what is fake and what is real To confuse matters further Isaac Asimov s 1948 piece about the fictitious

time travelling substance thiotimoline was written not as a short story but in the form of a spoof research paper The boundaries between fact and fiction can also be blurred by physicists themselves sometimes unintentionally sometimes with tongue in cheek sometimes to satirize perceived weaknesses in research practices Examples range from hoaxes aimed at exposing poor editorial standards in academic publications through thought experiments that sound like the plot of a sci fi movie to April Fools jokes Even the latter may carry a serious message whether about the sociology of science or poking fun at legitimate but far out scientific hypotheses This entertaining book is a joyous romp exploring the whole spectrum of fake physics from science to fiction and back again

Representing Translation Dror Abend-David, 2019-02-21 In an increasingly global and multilingual society translators have transitioned from unobtrusive stagehands to key intercultural mediators a development that is reflected in contemporary media From Coppola's *Lost in Translation* to television's *House M.D.* and from live performance to social media translation is rendered as not only utilitarian but also performative and communicative In examining translation as a captivating theme in film television commercials and online content this multinational collection engages with the problems and limitations faced by translators as well as the ethical and philosophical aspects of translation and Translation Studies Contributors examine the role of the translator as protagonist agent negotiator and double agent translation in global communication the presentation of visual texts multilingualism in contemporary media and the role of foreign languages in advertisements Translation and translators are shown as inseparable parts of a contemporary life that is increasingly multilingual multiethnic multinational and socially diverse

The Greatest Inventions Ever Jaideep Gupte, 2025-07-30 Everyday billions of people wake up on planet Earth pick up their toothbrush use a kettle run through their smartphone sit in a train bus car and head for work college school They may use a desktop laptop tablet and return home at the end of the day Some may watch some television others just grab dinner and crash out only to repeat this cycle over and over day after day The routine gets so mechanical that only a tiny fraction ever wonder how the things they used during the day were conceived in the first place Very few of these billions realize that all the little conveniences they took for granted during the day are a result of eons of deep cognitive processes and scores of trial and error methods The masterminds behind these stunningly creative works have long remained as some far flung and unsung heroes but it is they who have made our lives as smooth as butter and as soft as velvet This book dives into the origin of all these little conveniences called Inventions the stories and minds behind them Starting with the Stone Age and spanning numerous civilizations and countries the book looks into all the defining things that have been invented so far how they work and what could be invented in the future It also takes a peek into how Inventions have shaped the relationship between countries and civilizations how they rose and fell across various civilizations and why some countries have been consistently better at inventing than other countries The book aims to ignite the spark of curiosity among the readers at the same time helping the reader appreciate the ingenuity of these unsung heroes who lie forgotten on some dusty and nondescript shelves

across various libraries Without them we would still be cavemen today living out our lives like hunter gatherers

Research Handbook on the Law of Virtual and Augmented Reality Woodrow Barfield, Marc Jonathan Blitz, 2018-12-28 Virtual and augmented reality raise significant questions for law and policy When should virtual world activities or augmented reality images count as protected First Amendment speech and when are they instead a nuisance or trespass When does copying them infringe intellectual property laws When should a person or computer face legal consequences for allegedly harmful virtual acts The Research Handbook on the Law of Virtual and Augmented Reality addresses these questions and others drawing upon free speech doctrine criminal law issues of data protection and privacy legal rights for increasingly intelligent avatars and issues of jurisdiction within virtual and augmented reality worlds **Star Trek's Philosophy of Peace and Justice** José-Antonio Orosco, 2022-02-24 Countering the dystopic and the apocalyptic Star Trek's Philosophy of Peace and Justice introduces political philosophical reflections on peace justice and non violence through dramatic plots in the utopian Star Trek Universe Using key insights from a global array of philosophers thinkers and activists including Martin Luther King Jr Cesar Chavez Angela Davis Martha Nussbaum Johan Galtung and Desmond Tutu Jos Antonio Orosco guides readers through different Star Trek episodes applying key concepts from peace and justice studies In the Star Trek Universe seemingly impossible realities based on peace and justice exist indefinitely in a post scarcity society marked by economic cooperation Orosco continues its bold utopian mission and brings new challenges to the field of peace and justice studies that center anti racism and intersectional theory to encourage the exploration over conquest of our own galaxy **Science Fiction and the Prediction of the Future** Gary Westfahl, Wong Kin Yuen, 2014-01-10 Science fiction has always challenged readers with depictions of the future Can the genre actually provide glimpses of the world of tomorrow This collection of fifteen international and interdisciplinary essays examines the genre's predictions and breaks new ground by considering the prophetic functions of science fiction films as well as SF literature Among the texts and topics examined are classic stories by Murray Leinster C L Moore and Cordwainer Smith 2001 A Space Odyssey and its sequels Japanese anime and Hong Kong cinema and electronic fiction **The Realization of Star Trek Technologies** Mark E. Lasbury, 2016-08-24 As Star Trek celebrates its 50th anniversary the futuristic tools of Kirk Spock Scott and McCoy continue to come to life This book merges Star Trek scientific lore how the science of the time informed the implementation of technology in the series and the science as it is playing out today Scientists and engineers have made and continue to develop replicators teletransporters tractor beams and vision restoring visors This book combines the vision of 1966 science fiction with the latest research in physics biotechnology and engineering **Star Trek, the Next Generation** Rick Sternbach, Michael Okuda, 1991 *Federation* Judith Reeves-Stevens, 2012-12-11 At last The long awaited novel featuring both famous crews of the Starship Enterprise in an epic adventure that spans time and space Captain Kirk and the crew of the U S S Enterprise NCC 1701 are faced with their most challenging mission yet rescuing renowned scientist Zefram Cochrane

from captors who want to use his skills to conquer the galaxy Meanwhile ninety nine years in the future on the U S S EnterpriseNCC 1701 D Picard must rescue an important and mysterious person whose safety is vital to the survival of the Federation As the two crews struggle to fulfill their missions destiny draws them closer together until past and future merge and the fate of each of the two legendary starships rests in the hands of the other vessel
