

The book cover features a dark, atmospheric background. On the left, a large, craggy asteroid dominates the upper half, with a smaller, more detailed asteroid below it. On the right, a large, ethereal face of a woman with long, flowing red hair is superimposed over the background, her face partially obscured by a bright, glowing light source. In the foreground, a man with short, curly red hair and a beard is shown in profile, looking towards the left. The overall color palette is dominated by dark blues, greys, and the vibrant reds of the characters' hair.

When Colin Argon discovers a dilapidated shuttle in the abandoned tunnels of the colony asteroid ship Prometheus, he resolves to restore it. But he can't do it alone. As Colin and his friends secretly reconstruct the ancient vessel, they're forced to enlist the help of Gemma O'Ryan, the withdrawn computer genius who shares a secret from Colin's past. At first reluctant to allow Gemma into his team, Colin is startled when Gemma uncovers an enigma that will change everything: the shuttle Intrepid is haunted by the ghost of Colin's great-grandfather. Gemma's discovery forces Colin's team to navigate questions of identity, sentence, and humanity as they prepare to explore the planet they hope to call home. But once on the planet they face a greater challenge—one that may risk all of their lives.
