

Stargirl Anticipation Guide

Before we start reading the novel Stargirl, we're going to discuss some ideas and themes we'll read about in the book. Write your personal opinions to the questions below:

1. Have you ever heard the saying, "love is blind?" Do you agree or disagree with this statement? Why or why not?
2. Think about the possibility of changing your name several times. Do you think your name is an integral part of who you are, or can you imagine yourself with a different name?
3. If you did/could change your name, what would you change it to and why?
4. Do you think that people need a leader to turn opinions against another person? For example, would you be more likely to be mean to someone if other people were mean to them too? Why or why not?
5. Popularity, fitting in, and "sameness" are all key themes in Stargirl. How do you define popularity? Do you think 'being popular' is worth the trouble it might take?
6. Do you ever smile and greet random people on the street or in the halls? Why or why not? How do people react if you do this?
7. Can you think of any advice your parents or other adults are always trying to give you? What lessons do you think you can only learn with age (if any)? Can such lessons be taught to teenagers? Why or why not?
