

# Sample Statement of Purpose

My interest in branding derives from a number of factors, including the fact that branding is a broader term than we realize, my university studies, my work experience, and traveling to different locations. We tend to assume brand is associated with companies only, but it can apply to everything. It is simple, the way you present yourself and what message you send to others can be considered as a form of branding.

I have seen firsthand how important brands are to modern companies and how different cultures have an entirely different opinion or understanding of some specific brand. I realized that brands are not just strategies that companies use to sell products and services. Branding means that everything deserves to have a name, to be recognized, and send the most positive message to others.

Although well-known, branding is largely misunderstood and my goal is to investigate everything it entails, but that is only possible with a well-structured management program. It is due to my desire to further the knowledge of branding that I am inspired to apply to the MSc Brand Management program. I have acquired work experience in brand development and marketing. Working in this field has created a solid foundation where I can build my knowledge.

Reasons I applied to this specific program include the fact it is ranked among the best business schools on the market, it utilizes the latest strategies and approaches to ensure students' knowledge is up to date, and it helps students easily glide into the competitive business world. The program is challenging, it helps students think outside the box, and my previous academic and work experience has prepared me
