Stand Tall is a video based educational program that educates teachers and students in Grades 4-6 about how to respond to disrespectful behavior **Nerd Ecology: Defending the Earth with Unpopular Culture** Anthony Lioi, 2016-10-20 This

book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com

Drawing on a wide range of examples from literature comics film television and digital media

Nerd Ecology is the first substantial ecocritical study of nerd culture's engagement with environmental issues Exploring such works as Star Trek Tolkien's Lord of the Rings The Matrix Joss Whedon's Buffy the Vampire Slayer and Firefly the fiction of Thomas Pynchon The Hunger Games and superhero comics such as Green Lantern and X-Men Anthony Lioi maps out the development of nerd culture and its intersections with the most fundamental ecocritical themes In this way Lioi finds in the narratives of unpopular culture narratives in which marginalised individuals and communities unite to save the planet the building blocks of a new environmental politics in tune with the concerns of contemporary ecocritical theory and practice

Wordplay and the Discourse of Video Games Christopher A. Paul, 2012-03-15 In this timely new book Christopher Paul analyzes how the words we use to talk about video games and the structures that are produced within games shape a particular way of gaming by focusing on how games create meaning lead to identification and division persuade and circulate ideas Paul examines the broader social discourse about gaming including the way players are socialized into games the impact of the lingering association of video games as kid's toys the dynamics within specific games including Grand Theft Auto and EA Sports Games and the ways in which players participate in shaping the discourse of games demonstrated through examples like the reward system of World of Warcraft and the development of Minecraft Overall this book illustrates how video games are shaped by words design and play all of which are negotiated ongoing practices among the designers players and society that construct the discourse of video games **Doctor Who-Guide 2/3** Compiled from
