Nardi,Derek R. Sweet,2020-11-11 While previous work on the Star Wars universe charts the Campbellian mythic arcs political representations and fan reactions associated with the films this volume takes a transmedial approach to the material recognizing that Star Wars TV projects interact with and relate to other Star Wars texts The chapters in this volume take as a basic premise that the televisual entrants into the Star Wars transmedia storyworld are both important texts in the history of popular culture and also key to understanding how the Star Wars franchise and thus industry wide transmedia storytelling strategies developed The book expands previous work to consider television studies and sharp cultural criticism together in an effort to bring both long running popular series long ignored texts and even toy commercials to bear on the franchise s complex history *Puppetry* , ***This Little Kiddy Went to Market*** Sharon Beder,Wendy Varney,Richard Gosden,2009-05-20 This book investigates the way that corporations are strategically shaping children to be hyper consumers as well as the submissive employees and uncritical citizens of the future Sharon Beder shows how marketers and advertisers are targeting ever younger children in a relentless campaign transforming children s play into a commercial opportunity and taking advantage of childish anxieties She presents an alarming picture of how a child s social development through education health care and nutrition has become an ordered conveyor belt of consumerist conditioning Focusing on education in particular she also shows how difficult children are taught from an early age that pharmaceuticals can be used to discipline them or to make them happy *The Guide to Writing Fantasy and Science Fiction* Philip Athans,R. A. Salvatore,2010-06-18 Science fiction and fantasy is one of the most challenging and rewarding genres in the bookstore But with New York Times bestselling author Philip Athans and fantasy giant R A Salvatore at your side you ll create worlds that draw your readers in and keep them reading Just as important you ll learn how to prepare your work for today s market

Drawing on his years of experience as one of the most acclaimed professionals in publishing Wizards of the Coast editor Athans explains how to set your novel apart and break into this lucrative field From devising clever plots and building complex characters to inventing original technologies and crafting alien civilizations Athans gives you the techniques you need to write strong saleable narratives Plus Athans applies all of these critical lessons together in an unprecedented deconstruction of a never before published tale by the one and only R A Salvatore There are books on writing science fiction and fantasy and then there s this book the only one you need to create strange wonderful worlds for your own universe of readers
