State Board Focus Guide:

State Department: Leadership Focus Needed to Guide Agency Reform Efforts Jason Bair,Joshua Akery,Thomas Costa,David Dayton,Patrick Hickey,Emily Gupta,2019-08-01 The Department of State State is implementing most of the 17 reform projects it reported to Congress in February 2018 but a few are stalled or discontinued State completed one project streamlining policy formulation and continues working to implement 13 projects on topics including human resources information technology and data analytics Progress on two projects related to overseas presence has stalled and State has discontinued a project to consolidate real property management State has not addressed certain key practices related to leadership focus and attention in implementing its reform efforts Multiple transitions in State s leadership and changing priorities contributed to uncertainty about leadership support for reform projects Top leadership is expected to drive any needed transformation by clarifying priorities and communicating direction to employees and stakeholders In March 2018 the President replaced the Secretary of State a transition that created uncertainty within the agency regarding the future of ongoing reform projects While some officials stated that the new Secretary had expressed support for data analytics and cyber security reform efforts other officials said they were unclear as to whether their projects remained a priority According to senior officials the current Secretary has focused on critical needs such as ending the hiring freeze and increasing recruitment and on launching new initiatives In April 2018 State disbanded the dedicated teams overseeing its reform efforts and shifted responsibility to bureaus and offices In some cases officials assigned to lead reform projects reported receiving little or no direction from department leadership GAO s prior work has highlighted the benefits of having a dedicated team to manage agency transformations In addition State officials indicated that the challenges posed by these transitions were compounded by a lack of Senate confirmed leadership in key positions Specifically during the first 2 years of State s reform efforts bureaus and offices responsible for implementing 12 of State s 13 continuing reform projects reported directly to one or more officials serving in an acting capacity For example State did not have a Senate confirmed Under Secretary for Management from January 2017 to May 2019 which according to senior officials hindered State s reform efforts According to State officials taken together these leadership transitions led to several projects being scaled back slowed down or both Although uncertainties exist about leadership priorities regarding the reform efforts the bureaus and offices responsible for implementing reform projects have taken steps to manage and monitor them consistent with key practices Each of the continuing projects has implementation plans that include milestones and deliverables and some report their progress publicly For example State reports on the progress of some projects in its annual performance plans and reports The lack of a dedicated team to manage the reform process however could slow State s overall efforts Why GAO Did This Study In 2017 State initiated a series of reform efforts in response to an executive order by the President and guidance issued by the Office of Management and Budget aimed at reorganizing and streamlining the government GAO s prior work has shown that

successful agency reform efforts follow key implementation practices such as establishing a dedicated team to manage the implementation of reforms and ensuring transparency by setting public goals and milestones to monitor progress This report examines 1 the status of the reform efforts that State reported to Congress in February 2018 and 2 the extent to which State addressed key practices critical to the successful implementation of agency reform efforts GAO reviewed State s reform plans proposals and related documents met with officials involved in State s reform efforts and assessed implementation of the reform efforts against relevant key practices identified in GAO s prior work What GAO Recommends The Secretary of State should 1 determine which unimplemented reform projects if any should be implemented and communicate this determination to Congress and appropriate State personnel and 2 establish a single dedicated team to manage the implementation of all reform efforts that the Secretary decides to pursue State generally concurred with the recommendations **Kerala Footprint Focus Guide** David Stott,2014-04-10 Take a rice boat tour of Kerala s lyrical backwaters endlessly intersecting rivers streams and lagoons that flood the plains between the Arabian Sea and the Western Ghats Watch the sun set from the ramshackle port city of Fort Kochi before heading inland to see the monkeys and macaques at Periyar National Park From winding waterways to colourful festivals Footprintfocus Kerala will prove an invaluable companion Essentials section with practical tips on getting there and around Background section with fascinating information on the region s unique history and culture Comprehensive listings of where to eat sleep play including fishing and birdwatching Detailed street maps for important cities and towns Slim enough to fit in your pocket Loaded with advice and information this concise Footprintfocus guide will help you get the most out of Kerala without weighing you down Chennai & Tamil Nadu Footprint Focus Guide David Stott,2014-02-10 Explore one of Tamil Nadu s many grand Hindu temples stopping to savour the smell of jasmine garlands piled up before carved granite gods Crane your neck to see the top of these towering pyramid like temples adorned with the statues of deities warriors and dancers Escape the heat by following the footsteps of the British colonialists into the charming hill stations or go surround yourself by nature in the blue Nilgiri mountains Featuring detailed coverage of this wonderfully diverse region Footprint Focus Chennai Tamil Nadu will prove an invaluable companion Essentials section with practical tips on getting there and around Background section with fascinating information on the region s unique history culture cuisine Comprehensive listings of where to eat sleep play including festivals and horse riding Detailed street maps for important cities and towns Slim enough to fit in your pocket Loaded with advice and information this concise Footprint Focus guide will help you get the most out of Tamil Nadu without weighing you down The content of the Footprint Focus Chennai Tamil Nadu guide has been extracted from Footprint s India Handbook **Delhi to Kolkata Footprint Focus Guide** Vanessa Betts,Victoria McCulloch,2013-10-30 This region takes in the contrasts of India From the brash and chaotic Delhi through Varanasi India s holiest city to the cultural hub that is Kolkata these cities will truly provide an experience of India Footprint Focus provides invaluable information on transport accommodation eating and entertainment to ensure that your
