who promptly played a prank on him Thus began two years of adventures and misadventures from being set up on a date by the bullpen to playing blackjack on the team plane to studying for an exam at 3 am in Yankee Stadium Through these often hilarious experiences and especially through his friendships with the ballplayers Matt learned priceless lessons about honor responsibility and the importance of believing in oneself A magical tale of what happens to a young man when his fondest dream comes true Bat Boy wonderfully evokes that twilight time just before adulthood ripe with possibility foolishness and hard won knowledge

Filthy Rich Politicians Matt Lewis,2023-07-18 From one of America s sharpest political journalists is this searing thought provoking and hilarious takedown of the ruling class running amok in Washington These are your elected officials Some are slyly taking advantage of the system They are hoping no one is savvy enough to notice But Matt Lewis has And this is what he s learned Today s politicians are an unsavory lot a hybrid of plutocrats and hypocrites And it s worse and more laughable than you can imagine Lewis will introduce you to a crop of latte liberals ivy league populists insider traders trust fund babies and swamp creatures as he exposes how truly ludicrous money in politics has gotten In Filthy Rich Politicians Lewis embarks on an investigative deep dive into the ridiculous state of modern American democracy a system where the rich get elected and the elected get rich One of the brightest conservative writers of his generation Lewis doesn t just complain he articulates how Americans can achieve accountability from their elected leaders through radically commonsense reforms But many of these ruling class elites have a vested financial interest in rejecting the reforms so desperately needed to rebuild Americans trust in the institutions that once made our nation great This is not an eat the rich kind of book and it is not for those who want to stoke class warfare topple the whole regime and burn it all to the ground This is a must read book for thoughtful readers who yearn for transparency and will commit to holding their elected leaders accountable to those they are supposed to represent we the people The reforms spelled out in this book would incentivize good behavior in our leaders stymie corruption and prevent politicians from using the system and our taxpayer dollars to feather their filthy rich nests It is only by taking these steps to reform the system that we can rebuild trust in our institutions and preserve American democracy for future generations There really is no richer inheritance we could leave them
