Razor's Traitorous Heart S.E. Smith, 2014-06-11. An alien warrior is supposed to forge a peace but all he really wants is her. Six years ago Trivators came to Earth. They wanted to bring Earth into the Alliance of Star Systems but there was such violent panic worldwide that the Trivators were forced to take control. The attempt to bring order is not going well. Razor is a High Chancellor for the Alliance who has been sent to finally bring order to Earth by any means necessary. Chicago, a city torn apart by two factions, is an extremely important target to quell the chaos and it is there that a female warrior saves his life and disappears. Kali has devoted her life to her brother's cause. After all Destin is the only one who has Chicago's best interests at heart. Colbert just wants power and he certainly has become a powerful enemy. It wasn't always that way. Once he was someone they trusted above all others but that time is past and now Kali will do whatever it takes to bring peace to their people even if that means battling giant alien warriors who stuck their noses into Earth's business six years ago and never left. One night though Kali sees someone who will die if she doesn't act and then discovers mid-rescue that he's a Trivator. Razor has never failed a mission and his reputation of ruthlessness is well earned but for the first time in his life he finds himself torn between duty and something he is unfamiliar with: his heart.
