Mitias,2019-06-11 What is it like to meet God to converse with him about the most important questions of human life and then to have union with him What is it like for a finite being to stand in the presence of the infinite being James Amore a philosopher is in quest of God This quest originated from a strong desire to have union with the sun of all suns God This desire took hold of his heart and mind when he was a young man it grew and developed into an overwhelming passion when he became an adult Relying on information he received from his grandmother who was a clandestine mystic he decided to meet God on the Peakless Mountain After twelve days of ascent which was dangerous and exposed him to death a few times he met God To his surprise God speaks and he spoke to him in English He had a two day conversation with him and then he declared to God that he would not leave until

he had union with him God warned him against this request but James Amore was determined to sit in his lap and listen to the music of his heartbeats Well God granted him his wish We do not know how long this union lasted but we know that when James emerged from it he was an old man and a deaf flute player We meet him playing his flute at St John the Divine a cathedral in Jackson Tennessee
