Teaching for Results Findley B. Edge, 1999-01-01 In this revised edition Findley B Edge explains that many Sunday school

teachers fail to achieve better results because their teaching aims are too general and often vague The solution he says is for the teacher to focus on a single objective for each lesson and work toward that aim with singleness of purpose Daughters of Destiny Deborah Sante,2016-09-21 All of creation is for one purpose and one purpose only the glory of God the Father maker of heaven and earth As I reflect back on two special people He created as instruments for His glory Faith and Colleen three different scenarios come to mind Getting Started Two young girls struggling to understand life and their place in the grand scheme of things encountering God in a new found relationship with Jesus bonding together in a life long commitment as partners in prayer Being Pruned Two sisters in the faith for 30 years at first unaware of the trials and testing a loving and all wise God would use to fashion His image in their lives yet ultimately yielding to their Masters touch and experiencing His all sufficient grace just as He promised Now Ministering Two spiritually mature women with a deep compassion and strong conviction to share their own journeys and the stories of some of their friends so that they might comfort others experiencing difficulty with the comfort they themselves have received from God Having been with Faith and Colleen at the laying down of their spiritual foundation I now echo the words of John in his letter to Gaius I have no greater joy than to hear that my children are walking in the truth They are fulfilling their destiny as daughters of the King and encouraging other women to do the same for His glory Mike Noble former staff for Campus Crusade for Christ Canada USA currently on staff with Navigators Canada *David C.
