Believe Jeremy Egner, 2024-11-12 From The New York Times s Jeremy Egner the definitive book on Ted Lasso When Ted Lasso first aired in 2020 nobody including those who had worked on it knew how a show inspired by an ad centered around soccer filled mostly with unknown actors and led by a wondrously mustachioed nice guy would be received Eleven Emmys and one Peabody Award later it s safe to say that the show s status as a pop culture phenomenon is secure In *Believe* entertainment journalist and Ted Lasso fan Jeremy Egner traces the show s creation and legacy through the words of the people at its center Drawing on dozens of interviews from key cast creators and more *Believe* takes readers from the first silly NBC Premier League commercial to the pitch to Apple executives then into the show s writers room through the brilliant international casting and on to the unforgettable set and locations of the show itself Brimming with careful reporting and written to match the show s heart and humor *Believe* tells a story of teamwork of hidden talent of a group of friends looking around at the world s increasingly nasty discourse and deciding that maybe simple decency still has the power to bring us together a story about what happens when you dare to believe
