Supermarket Own Brand Guide

Lucy Tobin

Supermarket Own Brand Guide:

Supermarket Own Brand Guide Martin Isark, 2006 The booming sector of the own branded label market continues to grow and this can be a minefield for the consumer Martin Isark has the perfect solution with this new guide that tells the supermarket brand buyer how to choose between the vast range of brands that exist today The book is divided into twenty three sections and each includes between five and fifteen core products The leading consumer brand name is included as a control and then the products are compared by supermarket own label There are ten supermarkets in total but not every product will have an own label from each supermarket The listings include a tasting note from the author and score based on quality and value for money plus the normal retail price and weight Useful consumer health information e g salt sugar fat RDA vitamin content caffeine alcohol plus vegan and coeliacs information is also featured throughout the book *A Guide to the Systems of Provision Approach* Kate Bayliss, Ben Fine, 2021-01-04 Understanding consumption requires looking at the systems by which goods and services are provided not just how they are produced but the historically evolved structures power relations and cultures within which they are located The Systems of Provision approach provides an interdisciplinary framework for unpacking these complex issues This book provides a comprehensive account of the Systems of Provision approach setting out core concepts and theoretical origins alongside numerous case studies The book combines fresh understandings of everyday consumption using examples from food housing and water with implications for society's major challenges including inequality climate change and prospects for capitalism Readers do not require prior knowledge across the subject matter covered but the text remains significant for accomplished researchers and policymakers especially those interested in the messy real world realities underpinning who gets what how and why across public and private provision in global national and historical contexts **The Complete Guide to Business Risk Management** Kit Sadgrove, 2020-07-26 Risk management and contingency planning has really come to the fore since the first edition of this book was originally published Computer failure fire fraud robbery accident environmental damage new regulations business is constantly under threat But how do you determine which are the most important dangers for your business What can you do to lessen the chances of their happening and minimize the impact if they do happen In this comprehensive volume Kit Sadgrove shows how you can identify and control the relevant threats and ensure that your company will survive He begins by asking What is risk How do we assess it and How can it be managed He goes on to examine in detail the key danger areas including finance product quality health and safety security and the environment With case studies self assessment exercises and checklists each chapter looks systematically at what is involved and enables you to draw up action plans that could for example provide a defence in law or reduce your insurance premium The new edition reflects the changes in the global environment the new risks that have emerged and the effect of macroeconomic factors on business profitability and success The author has also included a set of case studies to illustrate his ideas in practice **Guide to Uni Life** Lucy Tobin, 2015-07-16 A Guide to Uni

Life is an upbeat and engaging guide book to all aspects of university life. It covers everything from surviving freshers week to studying for your finals and includes tips and advice on how to have fun and stay healthy throughout your university life. Lucy Tobin, a graduate herself, gives new or potential students a real insight into what uni life will be like and how to make it the best experience you can and achieve a brilliant degree as well. The author guides new students through the university experience in a friendly way without being condescending or pretending that all you are there for is to lock yourself in the library. Students can really get the best out of their time in higher education with this helpful and entertaining book. New to this edition is additional info on money management to reflect further changes in student fees as well as further advice on eating right, mental health issues and using technology to help ace your work.

Branding Your Business James Hammond, 2011-03-03 The only way forward for business success is to create a memorable brand and fix it in the consumer's mind. Branding Your Business explains the whole branding process in easy-to-follow terms. Providing practical help instead of academic theories, it explains what a brand is and what it is not, how to conduct a DIY brand audit and how to use marketing, NLP and psychology principles to create a powerful brand for your business. Based around the theory that a brand is the total perception a customer has about a company, its products or services, Branding Your Business will reveal what is needed to create and manage successful brands, increase profits and leave the competition standing.

The Coupon Mom's Guide to Cutting Your Grocery Bills in Half Stephanie Nelson, 2009-12-29 A book that pays for itself. The creator of couponmom.com with 1.6 million subscribers and counting shares her strategic money-saving techniques for saving big while living well. Americans are hungry for bargains these days, but one woman has developed the ultimate strategy for enjoying a feast of savings. Taking the nation by storm with appearances ranging from The Oprah Winfrey Show, Stephanie Nelson has shown countless women and men how to save thousands of dollars by becoming savvy coupon clippers without sacrificing nutrition or quality. Now in The Coupon Mom's Guide to Cutting Your Grocery Bills in Half, Nelson demonstrates all of the tricks of the trade, beyond coupons and tailor-made for a variety of shopper lifestyles. Whether you're a busy shopper and have only a small amount of time each week to devote to finding the best deal, a rookie shopper who is ready to put more effort into cutting bills, or a seasoned varsity shopper who is looking for new ways to get the deepest discounts possible, this book offers techniques that will make it easy to save money at any level and on any timetable. Extending her Strategic Shopping protocols to mass merchandisers, wholesale clubs, natural food stores, drugstores and other retailers, Nelson proves that value and variety can go hand in hand. With meal planning tips, recipes and cost comparison guides as well as inspiring real-life stories from the phenomenal Coupon Mom movement, this is a priceless guide to turning the checkout lane into a road of riches.
