Communicate with Courage Michelle D Gladieux, 2022-11-01 Confront the psychological blocks that are holding you back and become a fearless and peerless communicator. Winner of the 2023 PenCraft Best Book Award for Nonfiction, 2023 Nonprofit Authors Association Silver Award, 2023 Readers Favorite Bronze Medal Award for Business, and 2023 Dan Poynter's Global Ebook Gold Award for Communications. As a lifelong communication coach, Michelle Gladieux has discovered the four sneaky obstacles that can keep you from becoming an effective communicator: Hiding, Fearing, your low self-confidence, will expose your supposed weaknesses. Defining: Putting too much stock into your assumptions and being quick to judge right and wrong. Rationalizing: Using being realistic to shield yourself from taking chances, engaging in conflict, or doing other scary but potentially rewarding actions. Settling: Stopping at good enough instead of pushing for something better. What all these challenges have in common is they require taking risks to reveal yourself, to question your beliefs, to take a leap of faith, or to move out of your comfort zone. As a response, each chapter includes a Pro Move or a best practice and an exercise designed to help you overcome your fears and become a powerful communicator. Courageous communication

requires self knowledge practice and a fierce desire to continually improve this book is like having an expert coach along with you for every step of the journey A wonderful book Karl W Einolf PhD President Indiana Institute of Technology
