Resources in Education ,1998 *Market and Competition Authorities* Annetje Ottow,2015-03-26 Market and competition authorities operate in a complex environment with conflicting stakeholder demands Balancing the various interests of the authority and stakeholder in an objective and impartial manner is strategic to achieving the goals of the legislation imposed In a fresh approach examining the actions of an authority when a regulation is applied Annetje Ottow argues the vital importance of the behaviour of authorities focusing on five fundamental good agency principles legality independence transparency effectiveness and responsibility or LITER These principles provide agencies and those reviewing their actions with a framework for agency design and action Combining theory and practice to provide insight into agencies organization and behaviour this book outlines and analyses behavioural issues using an ecosystemic method addressing how independent agencies should be assessed and which principles should apply Using cases from the Netherlands and the UK Ottow examines the key processes of authorities against the LITER principles and opens the debate on how to regulate the agency *Journal of Human Services Abstracts* ,1984 *The Management Accountant* ,1972 **Computerworld** ,1991-08-26 For more than 40 years Computerworld has been the leading source of technology news and information for IT influencers worldwide Computerworld s award winning Web site Computerworld com twice monthly publication focused conference series and custom research form the hub of the world s largest global IT media network **Resources in Women's Educational Equity** ,1979 Literature cited in AGRICOLA Dissertations abstracts international ERIC ABI INFORM MEDLARS NTIS Psychological abstracts and Sociological abstracts Selection focuses on education legal aspects career aspects sex differences lifestyle and health Common format bibliographical information descriptors and abstracts and ERIC subject terms used throughout Contains order information Subject author indexes *National Library of Medicine Current Catalog* National Library of Medicine (U.S.),1993 **The City Record** New York (N.Y.),1914 **Employment Relations Abstracts** ,1972 **Environment Abstracts** ,1978 **Normal Instructor** ,1913 *Bank Insolvency Law in Developing Economies* Kayode Akintola,Folashade Adeyemo,2022-12-30 The subject of bank stability has been under a great amount of political and legislative scrutiny since the mid 2007 to late 2009 global financial crisis However these efforts have centred on developed economies Little coverage is given to strategies adopted by many developing economies While there is a global discourse on the subject of insolvency generally there is ample scope to contribute to the growing body of work on the

narrow subject of bank insolvencies This book provides a unique perspective on an emerging theme in at least two respects First is the focus on selected developing economies and selected developed economies in the EMEA region alongside cross border developments with the objective of deciphering the regulatory approach to bank insolvencies The second is the analytical consideration of methods that may be implemented to preclude or resolve bank insolvencies in developing economies This book explores the nexus between developing economies and their banking institutions Developing economies are acutely dependent on their banks for the functioning of their cash based economies Recent events however suggest a weakness in the long term viability of some of their banks and a mixed bag regulatory approach to redress this weakness This book evaluates the effectiveness of regulatory frameworks in selected developing economies that are designed to prevent or resolve the insolvency of banks At a time of global economic uncertainty this book will prove to be a valuable resource to the discourse on the viability of banks businesses and economies in developing States *The Journal of Information and Image Management* ,1986 Benn's Media Directory ,1988
