

Amazon Supply Chain Standards Manual

Amazon is guided by three principles: customer obsession, passion for invention, and commitment to operational excellence, and today's new findings. We are committed to engaging with suppliers that respect human rights, provide safe and inclusive workplaces, and promote a sustainable future.

Our Supply Chain Standards Manual ("Manual") provides guidance for suppliers to ensure that their practices meet and exceed the expectations in Amazon's Supplier Code of Conduct.

This Manual outlines requirements for suppliers and their business, including labor, products, and facilities and facilities involved in the production of Amazon products, product components, or physical materials ranging from raw materials to end-use product, as designed by Amazon's specifications.

"We expect suppliers to provide a safe and respectful working environment."
