impossible to acquire the rights But while browsing an extensive list of tracks from the era the team found that Maybe by the same group had almost the same sound with the added bonus of being cheap The lyrics are about a break up from the point of view of the person being left behind Maybe you ll think of me when you are all alone Then maybe you ll ask me to come back again Leonard Boyarsky notes that It worked with the intro and the ending referring to the ending with the betrayal and lonely exile of Fallout s hero It felt like it was this genius plan we had but it was only later that we decided to kick the player out of the Vault I feel like this is a metaphor for the whole game it looks like we had a better picture in mind than we did it just came out of the things we were doing **The TruthQuest Prayer Journal** Lawrence Kimbrough,2002-02

Remember Esther Strauss Smoller,2010-06-21 I Can t Remember is an intimate photo essay of four families and their process of coping with Alzheimer s disease a process of coming to terms with the practical and emotional consequences of a disease that changes the entire family dynamic Family members tell their stories of first denying that their loved one cold be suffering from Alzheimer s then dealing with the changing relationships among family members and the intensifying emotions as old family troubles are stirred up and new feelings of despair and love appear Photographs and personal narratives are woven together to show both the unpleasant and the beautiful sides of the struggle for connection between spouses and across generations Smoller has a gift for capturing people as they interact whether it s arguing around the kitchen table or dancing cheek to cheek Each family s story is different but all four families share common pain and frustration A highway patrolman who has early onset Alzheimer s describes what it is like to have Alzheimer s His wife tells a parallel story of life together after hearing the diagnosis A daughter gives the following account of her mother I though that it would be helpful if mother spent time in my home in Colorado Before this visit I was in denial convinced that she suffered from depression and not Alzheimer s disease On the plane trip to Colorado I was brought into the stark cold reality that Mom had Alzheimer s She did not know where she was or where she was going Upon arrival she did not recognize my home although she had visited me numerous times in the past She tried sleeping in the bathtub the first night Another daughter relates that she was unaware of the onset of Alzheimer s in her mother because her mother was such a wonderful actress Eventually the memory problems were no longer confined to where things belonged in the kitchen but extended into driving off at random driving in circles in a parking lot in the middle of the night or as much as 75 miles away from home I Can t Remember gives an intimate glimpse into the hearts and minds of caregivers and patients Supportive social networks are essential for healthy life This book provides the impetus caregivers need to develop contacts that can provide support Smoller offers a glimpse of the frustration and losses faced by those who deal with Alzheimer s as well as the potential to transcend those losses even is only for a time through love and hope *The Crush* Jennifer Bernard,2023-08-29 Love begins in Lake Bittersweet Out in the forest wilderness guide Galen Cooper s skill is legendary But put him anywhere near gorgeous newcomer Brenda McMurray and he can barely remember how to speak Yup he s got a crush and he s got it bad But a

traumatic childhood has left him unfit for civilization let alone a classy beauty like Brenda If his wild and wooly appearance doesn't scare the new teacher off surely his odd combination of shy and brusque will Brenda's move to Lake Bittersweet came after a personal loss now she finds comfort and solace in the small town Being near her free spirited granny is just what she needs even if the sassy senior is determined to meddle in her business Maybe it's odd that her granny's sex life is better than hers but Brenda's too busy for dating what with her work and a certain secret project When a local senior's last request sends her and Galen on a wilderness adventure they discover far more than the wonders of nature Sure their chemistry is as surprising as it is combustible but can a mountain man and a fourth grade teacher ever have a future Maybe if Galen can face his past And if Brenda's secret doesn't blow up in her face And if a simple crush can change two lives forever
