hilarious and heartbreaking this unrequited love story will appeal to fans of Jennifer Niven John Green and Jesse Andrews Seriously how can you see a person nearly every day of your life and never think a thing of it then all of a sudden one day it is different You see that goofy grin a thousand times and just laugh But goofy grin 1 001 nearly stops your heart Right That sounds like a bad movie already Matt Wainwright is constantly sabotaged by the overdramatic movie director in his head He can't tell his best friend Tabby how he really feels about her he implodes on the JV basketball team and the only place he feels normal is in Mr Ellis's English class discussing the greatest fart scenes in literature and writing poems about pissed off candy cane lumberjacks If this were a movie everything would work out perfectly Tabby would discover that Matt's madly in love with her he overcome with emotion and fall into his arms Maybe in the rain But that's not how it works Matt watches Tabby get swept away by senior basketball star and all around great guy Liam Branson Losing Tabby to Branson is bad enough but screwing up and losing her as a friend is even worse After a tragic accident Matt finds himself left on the sidelines on the verge of spiraling out of control and losing everything that matters to him From debut author Jared Reck comes a fiercely funny and heart wrenching novel about love longing and what happens when life as you know it changes in an instant This story broke my heart and made me laugh and gave me hope and really what more can you ask of a book than that I loved it and I have a feeling you will too Jennifer E Smith author of *Windfall* and *The Statistical Probability of Love at First Sight* In the blink of an eye *A Short History of the Girl Next Door* goes from hilarious to haunting to harrowing to heartbreaking to hopeful and back Jeff Zentner award winning author of *The Serpent King* and *Goodbye Days* Sharp smart and unforgettable Kate Hattemer critically acclaimed author of *The Vigilante Poets of Selwyn Academy* and *The Land of 10 000 Madonnas* A powerful novel about first love the intimacy of childhood friendships and moving forward from loss Publishers Weekly Pair this with other novels that explore loss from a male perspective such as Jeff Zentner's *Goodbye Days* or Adam Silvera's *History Is All You Left Me* Booklist Reck gives subtlety and depth to Matt so he's believable as a flawed guy negotiating his way through his feelings for Tabby as well as his social status in school his ideas of masculinity and his insecurities The Bulletin Recommend this to readers who enjoyed Steven Levenson's *Dear Evan Hansen* VOYA A Taste of Paste Thena Smith,2005-09 Taste of Paste Poems for the Classroom was written for teachers scrapbooking about their school parents documenting their children's school years and card makers who want to thank that special teacher principal or bus

Don't Be Interesting Jacob McArthur Mooney,2016-03-22 An acclaimed finalist for the International Dylan Thomas Prize and one of our most galvanizing poets takes on The Future in a sharply perceptive and provocative new collection of poetry Don t Be Interesting is a collection that grapples with The Future as public morality keeper and private reckoner The book explores the lines dividing the present from both the future and the past Its channels include all the breadth of mass experience from film and sport to science fiction novels war history technology and biography Part travelogue the book dredges up mid century optimisms in Europe and America In tones that range from wryly empathetic to downright caustic Don t Be Interesting calls out to idols and villains from athletes to folk heroes to musicians to war criminals and asks us what becomes of the future once the past and present have merged into one **Think On These Things** Linda F.Garry,2013-08

These poems arose from taking a different look at my life and my surroundings after suffering severe injuries from a fall For a time I could not see the light of day but then my spirit was touched and I was elevated to see life differently Writing about my newly found life was therapeutic and ignited sources of inspiration observation and elation for me Look around and take the time to see listen and hear the quietness of your soul and let it speak to you Find peace happiness and joy in what you discover and think on those things Live in the present in the moment of absolute consciousness and see what you are doing right now and appreciate your life the air you breathe the nature that you see the people who love you and the nameless person by whom you pass It is my hope that you will enjoy reading my poems as much as I enjoyed writing them Thank You

The essays in *Scholars and Southern Californian Immigrants in Dialogue* and *New Conversations in Public Sociology* bridge the gap between scholars and undocumented persons themselves in an interdisciplinary and vibrant dialogue. The conversations include sociologists, lawyers, and community and religious leaders alongside first-hand stories of immigrant survival in hostile and exploitive environments. This volume serves as a model for genuine public engagement of the immigration battle.
