

# *Thank You Mom*

Thank you Mom,  
For everything you have done,  
Thank you Mom,  
For making each day so much fun.

Thank you Mom,  
For showing me the way,  
Thank you Mom,  
For smiling every day.

Thank you Mom,  
For always being there,  
Thank you Mom,  
For showing how much you care.

Thank you Mom,  
You're the very best,  
Thank you Mom,  
Because you're none like the rest.

So this day is so special,  
Because you're so special too,  
Just remember one thing,  
That I do love you.

Sketches from Nature, 1801      **Rethinking Writing One Word at a Time** Sheila Beverly, 2023-12-08 Reviews Sheila

Beverly's new workbook *Rethinking Writing One Word at a Time* is a promising tool for helping students who struggle with writing. Mrs Beverly, who holds a B.A. in English and an M.Ed. in reading education, has years of experience teaching students to write. At first, her innovative Grammar Bubble appears to be a part-to-whole approach to teaching writing. But in truth, she uses direct teaching of the eight parts of speech as an entry point, a conceptual structure, and a motivational hook to get hesitant writers to put their ideas down on paper. Then Mrs Beverly uses a workshop/collaborative model to keep her students writing, drafting, sharing, revising, and editing. It is obvious that much thinking, trying out, and improving has gone into the activities described in this workbook. It is also obvious from reading the revealing Preface that Mrs Beverly is a committed educator who is passionate about empowering her students to express their voices in print. Dr. Darrell Morris, Professor of Reading Education, 2016-2017 Distinguished Graduate Faculty Award Director of Anderson Reading Clinic, Department of Reading Education, English Department Chair, Retired. I wish I had *Rethinking Writing One Word at a Time* Eight Parts of Speech when I was teaching in the classroom. Finally, a workbook that really breaks down grammar and writing in a way that builds and makes sense to the teacher and the learner. The Grammar Bubble, Manipulative Toy, games, writing prompts, and more are great for emerging writers and those who need a writing refresher. It is interactive and thought-provoking. This workbook could benefit anyone who desires to grow in their writing journey by starting with *Rethinking Writing*. Dr. Renita L. Webb, Ph.D., Educational Leadership Strategist, Former Elementary School Principal, Former Middle High School English Teacher.      **A War of Love** William Elliott, 2019-02-01 *A War of Love* 2nd Edition builds on the work of *A War of Love Poems* by William T. Elliott. It has 302 pages compared to the first edition's 128 pages. The book is a book of poems expressing the reflections on love and life of a Vietnam Era Veteran after the Vietnam War. The poems are easy to read and fall into three categories: pretty poems, humorous poems, and spiritual poems. Below is a review of the first 6 sections of the book by the National Review of Books. I hope this will give you some idea of what the book is like. Reviewed by Mihir Shah. Some say you need a gun to fight, but no, you really don't. Instead, you need your God above with Him, there is your might. In *A War of Love*, William T. Elliott seeks a therapeutic reprieve from nagging panic attacks but instead ends up capturing the essence of the human spirit through a series of timeless evergreen poems revolving around prayer, philosophy, nature, and animals. With no clear structure or rhythm, *A War of Love* won't be mistaken for an Edgar Allan Poe or Sylvia Plath piece; however, the stream-of-consciousness style that Elliott exudes in his work has a genuine heartfelt aura that will likely resonate with individuals of all ages. Although the poems are split into six sections, including the compilation's namesake, Elliott's observations on animals remain consistent throughout. Four consecutive poems: THE BEAGLE, A CAT, THE

CHICKADEE and THE DEER grace the opening of the collection and establish a romanticization of everyday animals What makes these poems sparkle is the elimination of age appeal In A CAT young or old can reminisce fondly on the memorable temperament of a cat that gives me not a nod at all unless it is feeding time In THE HAWK AND THE BLACKBIRD like in the poems above there is unique energy in the author s writing style and pace that matches the animals love of life that Elliott successfully portrays Perhaps the most intriguing poem appearing in Additional Poems is THE BUTTERFLY In a matter of five quatrains the poet injects the reader with childhood nostalgia The poem itself is emblematic of coming of age Children are in their own cocoon and when they become adults they too like a butterfly fly away Elliott adds a distinctly personal touch to his words by including personal photographs none more riveting than the picturesque landscapes of Angostura Reservoir and Coldbrook Dam in South Dakota This ode to nature is in full form in THE MISSOURI and THE SNOWFLAKE both poems that use mother nature and imagery of all five senses to reinvigorate the human spirit and help readers remember what it really means to be alive be it hearing the waves that wash upon the sand or the feel of flakes past chilly ears While Elliott appears to be focused more on evoking a particular emotion from the reader rather than spectacular structure his poem THE SNOWFLAKE exhibits an abundance of strong structure repetition and simile that allows the readers to conjure the image of snowflakes falling like cotton tufts in the day and dandruff s spite in the night As the poetry progresses so does Elliott s depth of observation While the poems on animals and nature dwell on what is apparent to the eye his thought provoking philosophy poems touch on many of the world s elephant in the room topics that most try to avoid Poems like Loneliness Frustration and Hope discuss the struggle man faces throughout life s journey while Pipe Dreams seeks to keep readers grounded and avoid the sometimes inevitable delusions of grandeur that find ways into one s thoughts DEATH OF A THOUGHT however stands on its own and represents the metaphysical element of time inciting a debate of whether one should wait for the right moment to act or simply seize the moment Directly or indirectly A War of Love seeks to infuse the reader with life and love that is ultimately actualized with prayer Poems like PRAYER and PEACE are indicative of the hope that prayer brings but WAR OF THE SPIRIT is not only representative of prayer but from a subjective point of view is central to the compilation and renders spirit and love as synonymous There are numerous other poems that don t necessarily fit in a category mentioned above though that is hardly a knock on their ability to captivate Both THE DELICATE KISS and HOW TO GET ALONG WITH A WOMAN share the spirit of intimate love with legendary poems like When You are Old by literary behemoth William Butler Yeats A War of Love will fall short for those who are looking for precision with meter pinpoint use of literary devices and poetic perfection For poetry aficionados who are looking for an authentic voice and heartfelt poetry that drives home the meaning of being alive A War of Love is a pleasurable endeavor RECOMMENDED by the US Review      *LANGSTON HUGHES* NARAYAN CHANGDER,2024-01-25 Note Anyone can request the PDF version of this practice set workbook by emailing me at cbsenet4u gmail com I will send you a PDF version of this workbook This book has been designed for

candidates preparing for various competitive examinations It contains many objective questions specifically designed for different exams Answer keys are provided at the end of each page It will undoubtedly serve as the best preparation material for aspirants This book is an engaging quiz eBook for all and offers something for everyone This book will satisfy the curiosity of most students while also challenging their trivia skills and introducing them to new information Use this invaluable book to test your subject matter expertise Multiple choice exams are a common assessment method that all prospective candidates must be familiar with in today's academic environment Although the majority of students are accustomed to this MCQ format many are not well versed in it To achieve success in MCQ tests quizzes and trivia challenges one requires test taking techniques and skills in addition to subject knowledge It also provides you with the skills and information you need to achieve a good score in challenging tests or competitive examinations Whether you have studied the subject on your own read for pleasure or completed coursework it will assess your knowledge and prepare you for competitive exams quizzes trivia and more
