

Coach

*As our coach we just wanted
you to know how much we
appreciate every sacrifice
you have made.*

*You have helped us grow
as a team and as individuals.
We have learned that hard
work really does pay off
and that excellence can
be achieved.*

*You have been our biggest fan
during our most triumphant
moments, and our rock
when we came up
short of our goal.*

*We can only hope that
we have touched your life
as profoundly as
you have touched ours.*

Thank you for making a difference!

My Journey Through Poetry Janice A. Smith, 2019-02-22 The poetry reflects her sense of the rhythm and flow of the topic The form of the poem also is a reflection of its meaning Each poem is unique on its own merit Some poems rhyme some use a recurring line or lines Most are free verse and have their own musical flow The Time Was November uses rhyme and this recurring line *Jane Austen in Scarsdale* Paula Marantz Cohen, 2007-01-23 The bestselling author of Jane Austen in Boca combines the wit and romance of Austen's Persuasion with a brilliantly astute look at the frenzy of college admissions in this irresistible comedy of manners *Echoes* Lisbeth Thom, Rachel Nelson, 2009-09-15 Echoes is a unique book of poems written by Lisbeth Thom and her granddaughter Rachel Nelson One summer Lisbeth wrote a poem and sent it to eleven year old Rachel in Eden Prairie Minnesota She asked Rachel to read her poem and respond with a poem of her own Rachel wrote a poem on a similar subject and also sent back a new poem and asked Lisbeth her grandmother in Savannah Georgia to respond to her poem and then send Rachel another poem That is how Echoes the book of poems began They bounced their poems back and forth across the country until they had fifty poems ready for publication Since publication teachers have used Echoes in classrooms as a teaching tool They use the idea of taking one person's poem to inspire a second person to write a poem on a similar subject The poems in Echoes are written on many different subjects They are creative thought provoking family oriented fun and funny Many of the poems let the reader travel inside the author's mind These poems can help students learn to enjoy reading and writing poetry In Echoes the generation gap between grandmother and granddaughter makes for an interesting contrast in viewpoint The poems are excellent for reading to younger children
