

Thanksgiving Speech

Welcome to the Grade Six Graduation. First and foremost, I would like to welcome our guest of honor, our school President, our principal, school officials, distinguished guests, dedicated teachers, beloved parents and fellow graduates, a pleasant day to all!

This day marks another milestone in our young lives as we celebrate our graduation day and receive our long-awaited, hard-earned graduation certificate diploma. This achievement wouldn't be a success without great people behind our backs who serves as our backbone all throughout our 6 elementary years.

To my adviser, thank you for always believing that I could do better and expanding my potentials to be an achiever. You let me learn that opening up to new ideas and experiences intensify the knowledge that I gain in the classroom.

For my subject teachers, thank you for the knowledge you imparted to us, thank you for your patience, hard work and kindness.

To our school principal, thank you for your undying dedication for this institution and for us students. Thank you for allowing us to participate in competitions, exposing our talents and abilities, and for being supportive in school activities. You've done great things in our school. I salute you for that. May I request everyone to give our teachers a round of applause!!

This success will never be tangible without my grandparents especially my Mama Ning and my Papa Dodong who is always here for me in whatever challenges or trials I face in my studies. I am forever thankful also to my parents Mama Analyn and Papa Brian. Ma,Pa, don't worry I completely understand why I have to stay in here while both of you has to stay in Cebu because you are both working for my future. I miss you every day and I am thankful for that sacrifice. Also, to my aunt Irish and uncle Anchie for the financial and moral support. To my cousins and aunties and uncles, thank you so much as well.

This journey will not be complete without my friends, who help me push through the hard times and rough times in schools. To my batchmates, thank you for making the sacrifices worthwhile, for making every school day a party, for sharing lunch and snacks with me. I will cherish our memories together like camping, ball, competition, birthday party and even *ang ato mga kastaw*. *Adga abay; salamat!*

Above all, I would like to give thanks to Almighty God for providing me these great people around me. I am grateful to You for choosing me to become your follower and for guiding me in all my endeavors. I accomplish this because of your guidance and enlightenment.

Congratulations fellow graduates and parents for successfully completing our elementary years. Once again, good day and may God bless us all.

is not merely about repeated gestures or ancient traditions but about secret doors that once opened reveal a dimension where the sacred and the everyday dance in eternal communion Each ritual described is not just an act but a path to awakening what is most authentic and dormant in the human soul As you delve into the practices unveiled here you are not just reading about Buddhism you are called to feel the echo of ancient chants to visualize offerings dissipating as symbols of detachment and to touch the invisible that inhabits each breath The descriptions evoke rituals where the toll of a bell can resonate through time and the aroma of incense not only perfumes the air but transforms the surrounding energy dissolving the veil between the material and the immaterial The Theravada Mahayana and Vajrayana traditions emerge from the pages like trails winding up the mountain of the spirit each offering unique ways to reach the essential and the eternal The practice is presented not as an end in itself but as a map of forgotten paths leading the practitioner to break free from illusions and glimpse the essence of all things In this work rituals are instruments to transcend the ordinary capable of awakening an ancient echo in the reader's heart reminding them that the search for meaning is not distant but latent in the present moment Buddhist Rituals is not just a book it is a key for those who dare to explore the unknown and align themselves with the mysteries that permeate life
