

THE ACCIDENTAL TERRORIST

CONFESSIONS OF
A RELUCTANT
MISSIONARY

"This just may be my favorite
true-life amazing-but-true
tale—never has threatening
an aircraft been funnier or
more thought-provoking."

—CORY DOCTOROW

A MEMOIR BY HUGO AND NEBULA AWARD FINALIST

WILLIAM SHUNN

The Accidental Terrorist English Edition

**Andrew Preston, Douglas Charles
Rossinow**

The Accidental Terrorist English Edition:

The Accidental Terrorist William Shunn, 2015-11-10 This just may be my favorite true life amazing but true tale never has threatening an aircraft been funnier or more thought provoking Cory Doctorow author of *Little Brother* and *Homeland* I devoured the more than four hundred pages of this memoir in what was essentially one sitting A welcome addition to the library of Mormon autobiography educational and highly entertaining Richard Packham *Dawning of a Brighter Day* 1987 A faltering missionary named Bill Shunn lands himself in a Canadian jail facing charges of hijacking and the prospect of life behind bars 1844 A frontier prophet named Joseph Smith lands himself in an Illinois jail facing charges of treason and the prospect of imminent lynching What binds these two men together This riveting memoir by turns hilarious provocative and thrilling answers that question in style weaving from their stories a spellbinding tapestry of deception desperation and defiance Answer its call and you'll never look at a Mormon missionary the same way again You will read few other books as smart funny honest and heartbreaking as *The Accidental Terrorist* and I unreservedly recommend it to you as both a home grown cautionary tale and a highly original coming of age saga Michael Bishop author of *Ancient of Days* and editor of *A Cross of Centuries* The book grabs you on page one and never lets go Fantastically written beautifully paced *The Accidental Terrorist* reads like a novel instead of a memoir Only in novel form no one would have ever believed these events could have happened Believe it William Shunn lived every word of this book That he can share it so eloquently is a tribute not just to his writing skill but his strengths as a human being Kristine Kathryn Rusch USA Today bestselling author Finalist for the 2015 Association for Mormon Letters Award

The Museum of Unnatural History Terence Bumbly, 2009-04 One of the most impressive collections of unnatural history of all time as eclectic as the universe and as strange as life itself Built by the enigmatic Terence Brumby in the 25th century the Museum of Unnatural History was a living catalogue of what humans created after ethical constraints were removed With dry humour and masterful understatement Bumbly explores the ethical dilemmas and unimaginable extremes of human ingenuity that resulted from unchecked technological biological and social advances Lavishly illustrated throughout with drawings from Bumbly's notebooks

An Alternate History of the 21st Century William Shunn, 2007-09-04 William Shunn is one of those SF writers who because they specialize in short fiction are not given quite the recognition they deserve no novels no mass market publication so only the plaudits of the cognoscenti of the short form Yet Shunn is a fine writer ingenious stylish closely in touch with current global trends and expert in producing thought provoking near future SF and at last he has a collection to show off that keen ability including two impressive original novelettes Nick Gevers *Locus Magazine* A presidential inauguration in a fascist America eerily similar to our own A man who broadcasts his every sense and emotion to a national audience A space station unequipped to deal with alien visitors Welcome to an off kilter 21st century as only Hugo and Nebula Award nominee William Shunn could envision it From time travel to nanoterrorism Los Angeles to Lagrange Point 2 the six stories in this collection span not just the length of a

century but the breadth of a unique and provocative imagination Step inside settle in and discover a world that s always surprising but never unfamiliar Discover the 21st century These stories tellingly and concisely ironize the clich s and tropes of genre SF but without destroying their use as toolkit John Clute The Encyclopedia of Science Fiction William Shunn has the sure instincts of a twenty first century science fiction writer He is keenly attuned to the present in the twenty first century there s no point keeping track of the future He recognizes those truly present day moments that could only come now today in this futuristic present that we swim through without ever really seeing This extraordinary book is a journey through our present From the biting political From Our Point of View We Had Moved to the Left to the sad and personal Not of This Fold a gorgeous novella about faith and humanity that could only have been written by a lapsed Mormon sf writer and everything in between this collection is the kind of thing that you can never unread a book that will awaken you to the present all around you Cory Doctorow Outside in Andrew Preston,Douglas Charles Rossinow,2017 These original essays exemplify how the transnational history of the United States is being written today The authors offer fresh work that focuses on the circuits of border crossing activity that Americans have inhabited while still taking the nation state seriously **Why People Radicalize** Kees Van Den Bos,2018-09-03 In Why People Radicalize Kees van den Bos argues that if we want to truly understand radicalization and prevent attenuate and fight violent extremism and terrorism we must pay attention to what is driving the radicalization process This implies that we should systematically analyze how radicalizing persons interpret the world For example perceptions that certain situations are fundamentally unfair and hence need to be changed are among the core issues that drive Muslim right wing and left wing radicalization Furthermore experiences and perceptions of unfairness and injustice can tempt those who struggle with self control to break the law and engage in violent extremist and terrorist behavior Why People Radicalize is among the first attempts to provide a systematic integrative and in depth analysis of the psychology of unfairness judgments and the ways these judgments impact on various radicalization processes Discussing several conceptual and practical implications that follow from this line of reasoning the book emphasizes the role of careful scientific thought and the notion of taking individuals seriously as judgments of unfairness are not merely perceptions They feel genuine to the persons forming the judgments This volume discusses in detail how these radicalization processes can develop and what components are of pivotal relevance in these processes Accessible for scientists professionals and practitioners the book explains how uncertainty and insufficient self corrections influence this process Finally the book delineates future research issues on radicalization extremism and terrorism and applies the analysis to appropriate legal contexts making the book relevant for policy and decision makers among others **It's Called Work for a Reason!** Larry Winget,2007 Most business books on the market today stroke people s egos by telling them what they want to hear and by reinforcing what they already know Larry Winget makes the case that poor results in the workplace are the result of apathy and poor performance He points the finger of blame exactly where it needs to be pointed the face of the reader

Hollywood North Michael Libling, 2020-07-14 Libling's assured quietly menacing debut is based on his World Fantasy Award nominated novella of the same title. Fans of *Stand by Me* and the like will find much to enjoy. Publishers Weekly It's the 1960s and Gus Berry is coming of age in Trenton a small town on the north shore of Lake Ontario. The place isn't known for much unless you count the menacing stray dogs, plant explosions, plane collisions and regular drownings. The adults seem to take it all in stride but Gus can't shake the feeling of impending doom. His friend Annie Barker doesn't share Gus's dark thoughts; she believes in things. So Gus goes about his days surviving school, trying to live up to his widowed mother's expectations and growing increasingly obsessed with movies and TV shows. Indeed he scripts his life to make it way more exciting and adventurous than it actually is. Gus is clearly a boy who wants things which makes Jack Levin the perfect friend. He's a local hero famous for finding stuff: a message in a bottle, a meteorite, a long lost wedding ring. And when Jack makes his most mysterious discovery yet, Gus and Annie are drawn with him into an investigation of Trenton's past. Guided by their curiosity, they soon uncover a malignant darkness behind the town's senseless tragedies. In *Hollywood North* World Fantasy Award nominated author Michael Libling spins a tale of movies and memories, nightmares and nostalgia with such a frightening secret at its core that you'll understand why even though you can go home again you might end up wishing you didn't. Ian Rogers author of *Every House Is Haunted*. A fine first novel Bradbury might have sketched out this mode in the darker parts of *Dandelion Wine* and the entirety of *Something Wicked This Way Comes* but contemporary authors such as Libling are showing us refinements of sensibility and sense of wonder that the old Waukeganian never dreamed of. *Locus*

88 Lines About 44 Women Steven Lang, 2009-08-31 Sometimes the bad notes resonate longest. For a while Lawrence Martin had everything. He was the keyboard player in a successful rock band, he had money, his choice of women. It was all a long way from the British boarding school where he met Roly, the charismatic front man who lured him to Australia in the first place and with whom he shared the song writing. Only after it all went wrong did Lawrence learn they'd been sharing other things as well. Two decades on, living in the highlands of Scotland, he's again confronted with those turbulent years and with the accident that changed everything. Wry, insightful, intelligent. *88 Lines About 44 Women* traces the boundaries of shame and how it obstructs the capacity for love. Are all men emotionally disconnected? Does true intimacy bring redemption or is it the other way round? An excellent novel, a finely calibrated blend of a carefully paced thriller and a literary exploration of masculinity. Jo Case Australian Book Review. Be prepared to be surprised. Liam Davison Weekend Australian. A brilliantly humane novel. Tim Kennedy Hanna Australian Literary Review. This fluently written novel is an elegant expression of how the complex dynamics of male and female versions of friendship, love and sex can be corroded by unresolved guilt. Ian McFarlane Canberra Times. A wry, wise and affecting study of shame, particularly as it relates to men. An insightful and authentic tale steeped in matters of the human mind and heart. Michael Jacobson Weekend Gold Coast Bulletin. A thoughtful and well written tale of a man trying to make sense of his life. Sun Herald

The Stars Refuse to Shine The Sandstorm Series,

#1 Lynn Mason,2024-03-10 *A Summer of War* Lynn Mason,2022-03-08 Journalist Chris McKenna would do anything to cover the Vietnam War If there s one thing she knows it s that she was born to tell this story Chris rolls into South Vietnam intent on sniffing out the overlooked stories of America s most unpopular war Much to the dismay of the military establishment she hops a Huey to a remote base in the Mekong Delta and hits the motherlode A mission both tactically and strategically questionable Inept junior officers more concerned about image than protecting the troops they lead A platoon of grunts taking fire from all sides A stoic soldier powerless against the woman keen on breaking through his defenses John Rawlins rues the day he met Chris The last thing he wants to be is a story but Chris has glory in mind for the quiet heroic soldier who simply wants to make it home alive He figures she won t last long Journalists never do He couldn t be more wrong Through jungle patrols and firefights amidst the chaos and the comedy that is the war in Vietnam Chris earns the respect and affection of a squad of men who have nothing to lose by telling it like it is But as the pressure from her editor mounts as journalistic competition descends on the Delta as Chris reckons with the consequences of the choices that led her to Vietnam she discovers how hard it is to separate the story she was born to tell from the story she was born to live *A Summer of War* is a standalone work of historical fiction that features a bold brave female heroine who blazes her own path no matter the consequences If you like fast paced adventure raw emotion and a love worth fighting for then you ll love Lynn Mason s unique and compelling story set during the height of the Vietnam War Pick up *A Summer of War* to follow Chris on her adventures today **Out of the Shadows** Angie Bartoli,Maris Stratulis,Rebekah Pierre,2025-02-28 Social work has often been described as the fifth emergency service When disaster strikes long after our colleagues from health fire and police services have been and gone social workers stick around to pick up the pieces *Out of the Shadows* is the first book to be published focusing on the role of UK social workers in disasters Their involvement goes beyond the initial crisis as the impact of disasters have long term consequences such as displacement loss psychological issues and survivor guilt This book focuses on the poignant and important personal stories of people with lived experiences of disaster It also include voices of social workers and their organisational leaders who have been directly involved in providing support in disasters their reflections and sharing learning for the future The impact of disasters not only affect those directly affected but also individuals families groups and local communities locally nationally and internationally This book provides an important opportunity to share and develop knowledge skills best practice and learning from disasters nationally and internationally and from social workers who have been directly involved in emergency responses as well as from the communities they have served **The Politics of Warfare** Stephen J. Cimbala,2010-11-01 *Skiing* ,1995-01 **Skiing** ,1995-01 *The World That Never Was* Alex Butterworth,2010-06-15 A thrilling history of the rise of anarchism told through the stories of a number of prominent revolutionaries and the agents of the secret police who pursued them In the late nineteenth century nations the world over were mired in economic recession and beset by social unrest their leaders increasingly threatened by acts of

terrorism and assassination from anarchist extremists In this riveting history of that tumultuous period Alex Butterworth follows the rise of these revolutionaries from the failed Paris Commune of 1871 to the 1905 Russian Revolution and beyond Through the interwoven stories of several key anarchists and the secret police who tracked and manipulated them Butterworth explores how the anarchists were led to increasingly desperate acts of terrorism and murder Rich in anecdote and with a fascinating array of supporting characters *The World That Never Was* is a masterly exploration of the strange twists and turns of history taking readers on a journey that spans five continents from the capitals of Europe to a South Pacific penal colony to the heartland of America It tells the story of a generation that saw its utopian dreams crumble into dangerous desperation and offers a revelatory portrait of an era with uncanny echoes of our own

US Narratives of Nuclear Terrorism Since 9/11 David Seed,2019-04-06 This study examines the US fiction and related films which makes a series of interventions in the cultural debate over the threat of nuclear terrorism It traces the beginnings of this anxiety from the 1970s which increased during the 1990s after the collapse of the Soviet Union The traumatic events of 9 11 became a major reference point for this fiction which expressed the fear that of a second and worse 9 11 The study examines narratives of conspiracies which are detected and forestalled and of others which lead to the worst of all outcomes nuclear detonations sometimes delivered by suitcase nukes In some of these narratives the very fate of the nation hangs in the balance in the face of nuclear apocalypse The discussion considers cases of attacks by electromagnetic pulse EMP cyberterrorism and even bioterrorism Some of the authors examined are present or former politicians members of the CIA and former president Bill Clinton

The Serial Killer's Son Takes a Wife Michael Libling,2023-09-03 SURVIVAL TIPS FOR SONS OF SERIAL KILLERS 1 Change your last name Be forgettable 2 Take comfort Serial killing is not hereditary Not usually anyhow 3 Never contact your parents whether on Death Row or elsewhere You are messed up enough 4 Choose a dull career Run an ice cream parlor for instance 5 Do not fall in love Sooner or later she will ask to meet your mom and dad 6 Trust no one Not even her 7 Do not get married It cannot end well 8 Keep what you know to yourself You were just a kid after all 9 Do not return to your boyhood home No one has forgotten anything SURVIVAL TIPS FOR READERS Watch your back Lock your doors Be courteous to everyone Yes everyone This is your only warning

Radical Planes? 9/11 and Patterns of Continuity,2016-09-07 *Radical Planes 9 11 and Patterns of Continuity* edited by Dunja M Mohr and Birgit D wes explores the intersections between narrative disruption and continuity in post 9 11 narratives from an interdisciplinary transnational perspective foregrounding the transatlantic cultural memory of 9 11 Contesting the earlier notion of a cataclysm that has changed everything and critically reflecting on American exceptionalism the collection offers an inquiry into what has gone unchanged in terms of pre 9 11 post 9 11 and post post 9 11 issues and what silences persist How do literature and performative and visual arts negotiate this precarious balance of a pervasive discourse of change and emerging patterns of political ideological and cultural continuity

Casualty of War Kim Moore,2001 Eileen Eliot shares an intimate 14 year

history with Fran Sullivan a member of the Irish Republican Army working out of Boston He said she was safe from its tentacles He was wrong As Fran plots the way to an IRA ceasefire avoids a murder attempt and disappears to Belfast Eileen stands on the edge of his involvement then the Organization arrives at her door The IRA without Fran s knowledge pulls her into their system Fran s disappearance sets off her initiation into keeping her own secrets from her friends and risking a new relationship with a congressional Chief of Staff In a novel that blends suspense sharp wit and characters and places that jump off the pages experience life in the Organization from a new perspective Eileen s As the saying goes keep your friends close and your enemies closer Terrorism and counter-terrorism in the EU Laurențiu Rebega,2017-11-11
