Biographies of Jesus' Apostles James Allen

Moseley,2020-01-09 Disciple means student Apostle means ambassador I am an ambassador in chains wrote Paul in Ephesians 6 20 In Christ twelve scared scattered Apostles turned the world s most powerful Empire upside down and then changed the world forever Who were these Apostles Were they rich or poor Educated or illiterate Related to Jesus and to each other or random strangers Did they live long and travel far and wide or die young in their home towns Did they die as martyrs or in peace This book reveals the surprising answers drawn straight from the ink on the pages of Scripture where they have lain in plain sight for over nineteen centuries Around 56 A D in 1 Corinthians 4 9 13 the Apostle Paul wrote For I think that God has exhibited us Apostles as last of all like men sentenced to death because we have become a spectacle to the world to angels and to men We are fools for Christ s sake but you are wise in Christ We are weak but you are strong You are held in honor but we in disrepute To the present hour we hunger and thirst we are poorly dressed and buffeted and homeless and we labor working with our own hands When reviled we bless when persecuted we endure when slandered we entreat We have become and are still like the scum of the world the refuse of all things In 100 A D about when the Apostle John died there were perhaps one million Christians in the world only 0.3% of the world s estimated population For the next two centuries Christians would be a persecuted minority with no worldly reward for their labors Today over two billion people profess Christianity about 33% of the world s population There are 110 times more people in percentage terms who profess Christ than did so at the close of the Apostolic Age So they did the amazing work Jesus gave them to do these tireless devoted ambassadors in chains Jim Moseley has taught and written 17 books on Biblical theology since 2008 focusing on apologetics science history archaeology and comparative religions and doctrines He is President of a non profit organization thebiblehistoryguy.com whose mission is finding faith through facts He is working on a Master s Degree in Divinity at Liberty University Jesus, Paul, and the Gospels James D.G. Dunn,2011-05-03 This compact theological primer from a widely respected scholar offers a well integrated and illuminating approach to a variety of basic issues in the study of the New Testament Provided by publisher *The Acts of the Apostles* Ellen G. White,2015-08-24 Volume 4 of the Conflict of the Ages book series The Acts of the Apostles covers from the Great Commission to John the Revelator on Patmos This key Seventh Day Adventist text explains in detail the SDA understanding of the conflict between God and Satan and their understanding of the Bible and much of world history White wrote the series based on her research of other authors and special information which she claimed to receive through visions from God The books thus include unique insights and concepts not found in other works of the time **Paul, the Apostle of Jesus Christ** Ferdinand Christian Baur,2021-05-28 Baur s Paul the Apostle of Jesus Christ was the major study of Paul published in the nineteenth century and it is one of the greatest works of all time on Paul It lays the basis for modern Pauline scholarship The first part The Life and Activity of the Apostle Paul consists of a thoroughgoing deconstruction of the account of Paul found in the Acts of the Apostles While the author of Acts passed on historical traditions about Paul he greatly embellished them with stories about the miraculous feats of the apostles and

constructed the entire account to show fictitious parallels between the apostles Peter and Paul The second part The Epistles of the Apostle Paul is divided into three main sections the authentic epistles of Paul Galatians 1 and 2 Corinthians Romans the deuterio Pauline epistles Ephesians Colossians Philippians Thessalonians Philemon and the Pastoral Epistles 1 and 2 Timothy Titus In the first two parts Baur s historical critical skills are at their finest The third part The Apostle s Theological Framework draws the elements of Pauline theology into a magnificent synthesis where the influence of Hegel and Schleiermacher is evident The earlier English translation is no longer adequate Our new translation presents a very readable text with critical annotations and translations of all the scriptural passages quoted in Greek Baur on Paul truly becomes available in English for the first time **The Sacred Writings of the Apostles and Evangelists of Jesus Christ** ,1860

Jesus the Christ and Paul the Apostle W. Douglas Reid,1915 *The Apostle Jesus* Barry Starliper,2012-12-15 Much of what is called apostolic does not measure up to the Biblical model In many cases the so called apostolic has become another avenue for self styled apostles to exert control over other believers The pattern for True Apostolic Ministry is Jesus Christ the first Apostle or sent one from God Jesus came to inaugurate the Kingdom of Heaven not establish an institution He came to liberate us from religion All the Apostles of the Bible Herbert Lockyer,1988-09-27 These studies on the character of the Apostles form a complete series on the lives times and ministries of those men chosen by God to declare his message to the world
