The AR-15 Complete Assembly Guide Walt Kuleck, Clint McKee, 2002 **The AR-15 Assembly Guide** Erik Lawrence, 2014-10-10 **Shooter's Bible Guide to Tactical Firearms** Robert A. Sadowski, 2015-07-21

Long range shooting in the United States is as old as this country is young. Shooters have always had a fascination with shooting at distance whether they are plinkers, competitive shooters or hunters. The ability to place rifle bullets in the same hole of a target or kill an animal quickly is a goal to which we all aspire. In recent years the interest in tactical precision rifles has increased with many factory and custom rifle makers plying their art producing rifles that can easily outperform the ability of many shooters. Expert Robert A Sadowski proves to be a masterful instructor on all aspects related to precision shooting in the Shooter's Bible Guide to Tactical Firearms. This Shooter's Bible guide will help new and experienced shooters in making smart equipment purchases that range from rifles and optics to ammunition and gear. The shooting school section provides instructions for those of us who have had no formal training. For experienced shooters having current information on hand in one place can be an invaluable resource. And no Shooter's Bible guidebook is complete without a detailed products section showcasing rifles from all across the market. Other topics covered include Top 10 long range rifles, Precision rifle maintenance, Anatomy of a riflescope, Shooting technique, positions and drills. And much more. Pick up a copy of the Shooter's Bible Guide to Tactical Firearms to learn everything you need to know about precision long range shooting. Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun collecting, self defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more.
