Volume 5, Part 1 Justin Glenn,2014-09-05 This is the fifth volume

of Dr Justin Glenn s comprehensive history that traces the Presidential line of the Washingtons Volume One began with the immigrant John Washington who settled in Westmoreland Co Va in 1657 married Anne Pope and became the great grandfather of President George Washington It continued the record of their descendants for a total of seven generations Volume Two highlighted notable family members in the next eight generations of John and Anne Washington s descendants including such luminaries as General George S Patton the author Shelby Foote and the actor Lee Marvin Volume Three traced the ancestry of the early Virginia members of this Presidential Branch back in time to the aristocracy and nobility of England and continental Europe Volume Four resumed the family history where Volume One ended and it contained Generation Eight of the immigrant John Washington s descendants Volume Five now presents Generation Nine including more than 10 000 descendants Future volumes will trace generations ten through fifteen making a total of over 63 000 descendants Although structured in a genealogical format for the sake of clarity this is no bare bones genealogy but a true family history with over 1 200 detailed biographical narratives These in turn strive to convey the greatness of the family that produced not only The Father of His Country but many others great and humble who struggled to build that country

ADVANCE PRAISE I am convinced that your work will be of wide interest to historians and academics as well as members of the Washington family itself Although the surname Washington is perhaps the best known in American history and much has been written about the Washington family for well over a century it is surprising that no comprehensive family history has been published Justin M Glenn s The Washingtons A Family History finally fills this void for the branch to which General and President George Washington belonged identifying some 63 000 descendants This is truly a family history not a mere tabulation of names and dates providing biographical accounts of many of the descendants of John Washington who settled in Westmoreland County Virginia in 1657 Each individual section is followed by extensive listings of published and manuscript sources supporting the information presented and errors of identification in previous publications are commented upon as appropriate John Frederick Dorman editor of The Virginia Genealogist 1957 2006 and author of Adventurers of Purse and Person Decades of reviewing Civil War books have left me surprised and delighted when someone applies exhaustive diligence to a topic not readily accessible Dr Glenn surely meets that standard with the meticulous research that unveils the Washington family in gratifying detail many of them Confederates of interest and importance Robert K Krick author of The Smoothbore Volley that Doomed the Confederacy and Stonewall Jackson at Cedar Mountain

The American Wife
Chrystyna Lucyk-Berger, 2024-04-08 Outstanding I was hooked by this book and couldn t put it down Oh my goodness I loved this Goodreads reviewer 1938 Shattered fragments of glass snap under my feet as I tread quietly into what was my best friend s apartment Now as I frantically look around in horror I know that the worst has happened she has been taken by the Gestapo And I realise with certainty what I have to do next but will I be too late to save her From the moment the Nazis arrived in Vienna I knew everything would change especially for my closest friend Judith The very fact that she is Jewish

means she is in danger but I hoped that she'd get her visa in time to leave the country. That they wouldn't come for her. But I was wrong. And when Judith is taken by the Gestapo I realise I only have one choice: save my dearest friend or betray the man I love. Because I am a diplomat's wife I know I can steal the papers that will allow Judith to escape to safety. It's the hardest choice I have ever had to make but I know I must be brave and do the right thing no matter what. And besides I've started to wonder which side of the war my husband Edgar is really on. Ever since I joined him in Europe I've watched him grow distant and secretive. And as his behavior gets stranger and he pushes me even further away I begin to wonder how well do I know the man that lies beside me every night. So as I creep into my husband's study in the dead of night I know in my heart I'm doing the right thing. But will I be too late to save my best friend and if I get caught what will happen to me. An absolutely heartbreaking, powerful and gripping story about finding love, resilience and friendship in the midst of the darkness of World War 2. Perfect for fans of *The Nightingale*.
