Rakestraw, 2015-04-13 In this fascinating spiritual theological autobiography Robert Rakestraw

tells of his lifelong unceasing search for God After a troubled and unconventional childhood he came to know the grace and freedom of God in a personal way during his college years He then embarked on an unwavering intellectual and spiritual quest for truth and meaning in life Without technical language Rakestraw highlights significant developments and revisions in his understanding of God and God's ways of interacting with the world In striking and sometimes intimate detail he relates compellingly his experiences as a student pastor professor sufferer heart transplant recipient and above all seeker of God Dr Rakestraw's gripping portrayal of his difficulties and sufferings especially with regard to health issues does not come across as depressing Rather it presents the sustaining love and goodness of God in such a way that will pull readers in to investigate the remarkable and freely offered grace of God extolled by the author Marriage Ministry Bo Prosser, Charles Qualls, 2004 Healthy marriages do not simply happen though our culture's marriage landscape suggests otherwise Married couples need a strong foundation that the majority of people cannot build on their own How can ministers best prepare engaged couples for the altar And how can ministers help provide the needed material for healthy growth among married couples in their cultures Marriage Ministry A Guidebook by noted pastors authors and seminar leaders Bo Prosser and Charles Qualls provides a ready help for ministers who provide premarital counseling perform wedding ceremonies and generally care for married couples and their families Full of information and ideas that encourage conversation communication and interaction this book will help ministers respond to the many needs of couples in the church Whether your ministerial needs are with the newly married the successfully married or the struggling married Marriage Ministry will surely help you help them **New International Lesson Annual 2012-2013** Abingdon Press, 2012-05 The standard resource for teachers of the Uniform Series **The Presbyterian**, 1908 *The Church of All Ages* Howard A. Vanderwell, 2007-12-17 Many congregations today experience collisions between parents who want to spend time with their children and age segregated church programming as well as between the children worshiping in their pews and the increasing number of seniors in the same pew Among the questions these congregations struggle to address are these Should we try to hold the generations together when we worship Is it even possible Led by pastor and resource developer Howard Vanderwell nine writers pastors teachers worship planners and others serving in specialized ministries offer their reflections on issues congregational leaders need to address as they design their worship ministry In addition numerous sidebars illustrate the diversity of practices in the church today Contributors do not propose easy answers or instant solutions Rather they guide readers as they craft ministries and practices that fit their own community heritage and history Each chapter includes questions for reflection and group discussion and an appendix provides guidelines for small group use The thread that connects these varied contributions is the belief that there is no greater privilege for Christians than worshiping God and there is no better way to do that than as an intergenerational community in which all are important and all encourage and nurture the faith of the others

Wisconsin Congregational Church Life, 1913 *Faith of Our Mothers* Donald S. Aultman, 2014-04-11 Dr Donald

Aultman brings together in one volume leaders from the Church of God to reveal the Faith of Our Mothers stories of faithful women who valued nourished and trained their children sometimes against all odds These are women of virtue and godly character whose faith patience sacrifice and humor forever shaped the sons and daughters now walking in their footsteps In a culture where Christianity is increasingly marginalized and children are pulled away from faith in a world that s cold raw and harsh in a society built on high achievement self serving goals and shortsighted pursuits may God continue to raise up women of faith who will minister the Word of God love their families and show us the way home Mark L Williams Church of God Overseer
