We all have a purpose in life We are not an accident We may not know or understand it fully yet but we do have a purpose We have a God given reason to exist We were created with a purpose as part of God s master plan Our purpose includes a life of service We were uniquely created to help serve others and not just yourself Did you know

that God actually prepares opportunities for us to serve Yes the Almighty Creator of all that we know cares enough about each of us to give us special occasions to help other people He wants to teach us to become more like Him through service In the Bible the apostle Paul says so For we are his workmanship having been created in Christ Jesus for good works that God prepared beforehand so we may do them Ephesians 2 10 That is the purpose of this book as well It is to remind and encourage both Christians and non Christians of the amazing plan and responsibility to serve Anyone who helps handicapped children or mentally disabled adults or serves the homeless knows how much they get in return It feels good to help others Those who give often receive back much more than expected The reader will find Willing Hands full of proven ideas and simple reminders that service is not complicated costly or out of reach Each suggestion has been written to be concise and to the point Each recommendation within this book can easily be made an active part of our lives Service may not always be easy and sometimes we all need a bit of encouragement and support but it truly is a great way of life
