one of Britain's foremost military historians Richard Overy sets out in *Blood and Ruins* to recast the way in which we view the Second World War and its origins and aftermath. He argues that this was the great imperial war, a violent end to almost a century of global imperial expansion which reached its peak in the ambitions of Italy, Germany and Japan in the 1930s and early 1940s, before descending into the largest and costliest war in human history and the end, after 1945, of all territorial empires. How war on a huge scale was fought, supplied, paid for, supported by mass mobilization and morally justified forms, the heart of this new account. Above all, Overy explains the bitter cost for those involved in fighting and the exceptional level of crime and atrocity that marked these imperial projects, the war and its aftermath. This war was as deadly for civilians as it was for the military, a war to the death over the future of the global order. *Blood and Ruins* is a masterpiece from one of the most renowned historians of the Second World War, which will compel us to view the war in novel and unfamiliar ways.

Thought provoking, original and challenging, *Blood and Ruins* sets out to understand the war anew. **Pictorial History of**

the Civil War in the United States of America Benson John Lossing, 2010-06-29 Supreme Court Justice Oliver Wendell Holmes claimed that historian Benson J. Lossing did more than any other man to make history interesting and popular.

Lossing wrote his comprehensive three-volume history of the Civil War at a time when the facts were still fresh. Originally published in 1868, Volume Three covers the period from midsummer 1863 to the war's end in the spring of 1865. Lossing accompanies his narratives of marches, battles and sieges with maps and plans, includes biographical sketches of the prominent people from both sides of the conflict and illustrates his history with hundreds of drawings and engravings by the author and others. *Acts of the State of Tennessee Passed at the General Assembly Tennessee*, 1879 **Report from the**
