Charlesworth, Jolyon G. R. Pruszinski, 2019-02-07 Most experts who seek to understand the historical Jesus focus only on the Synoptic Gospels of Mark Matthew and Luke However the contributors of this volume come to an important consensus that the Gospel of John preserves traditions that are independent of the Synoptics and which are often as reliable as any known traditions for understanding the historical Jesus As such the contributors argue for the use of John's Gospel in Jesus research The volume contains various critical approaches to

historical inquiry in the Gospel of John including new evaluations of the relationship between John and the Synoptics literary and rhetorical approaches comparative analysis of other early traditions the judicious use of archaeological data and historical interpretation of John's theological tendencies Contributing scholars include Dale C Allison Jr Paul N Anderson Harold W Attridge James H Charlesworth R Alan Culpepper Michael A Daise Craig S Keener George L Parsenios Petr Pokorn Jan Roskovec and Urban C von Wahlde who help to reassess fully the historical study of John's gospel particularly with respect to the person of Jesus *The XYZ of Discipleship* Nick Allan, Marjorie Allan, 2020-05-08 Today's key challenge for the church in the West is to reach and raise the next generations often missing or misunderstood yet vital to the future of contemporary society and to Christianity Drawing on 20 years of fruitful experience and carefully analysing Britain's present cultural context this book explores how to disciple today's Millennial Gen Y generation and their teenage early adult successors Gen Z With plenty of positive insights into the opportunities these generations possess it speaks into how to help build solid foundations of identity and purpose for young adults and assesses some of the biggest challenges to Christian discipleship in today's culture It will equip individuals who seek to mentor parent or lead young adults into discipleship in the everyday and within church as well as those of Y Z age who are passionate to understand and disciple your own generation It concludes with practical guidance and a passionate challenge to established churches who wish to reach these generations
