Letter to a Priest Simone Weil, 2014-12-17 Hailed by Albert Camus as the only great spirit of our times Simone Weil was one of great essayists and activists of the twentieth century Her writings on the nature of religious faith and spirituality have inspired many subsequent thinkers Wrestling with the moral dilemmas entailed by commitment to the Catholic Church *Letter to a Priest* is a brilliant meditation on the perennial battle between faith and doubt and resonates today as much as when it was first written This edition also includes one of her most inspiring and celebrated essays *Human Personality* where Weil offers a moving and unorthodox account of the preciousness of human beings With a new foreword by Raimond Gaita

Country Reports on Human Rights Practices, 2000 ABBA KEDDUS 'RASTAFARI AND THE RETURN OF OUR SACRED ORIGINS' 2015 Tyson Brown, 2011-11-15 This book is a new approach to the Rastafari movement It connects the ancient history of Nile River Valley civilizations the Ethiopian Tewahedo Church and its monastic heritage to the global phenomenon of Rastafari At the heart of the story is the legend of the Abba Keddus the sacred elder who arrives to transform the world and return us to our primordial origins *The Soul's Long Journey* Edward Reaugh Smith, 2003 Here are amazing insights showing reincarnation to be deeply and powerfully revealed in the Bible's most fundamental aspects How and why have these insights escaped attention for so long At last they are uncovered here by a confluence of conventional Bible study and the epochal spiritual discoveries of Rudolf Steiner With particular emphasis on the organic provisions of the Old Testament Smith shows both what the assumptions of the Master's hearers were and how the New Testament confirms the ancient heritage Arising from the fullness of the canon is an exciting story of the long journey of humanity and every human soul each a beloved sheep whom the Creator is unwilling to lose Combining a lifetime of biblical study and teaching fifteen years investigating and contemplating Rudolf Steiner's vast works and almost three decades of applying the analytical skill required in an intense law practice Smith has produced a potential classic the serious Bible student can ill afford to ignore

How to Become the True You Jeff Michaels, 2015-03-01 Are You Seeking to Create a Spiritual Life Spiritually minded humans often look to those in the spirit realm for guidance and a higher perspective We are Onereon a family of beings dwelling in that realm of spirit Our chosen path is to assist humanity helping you gain the opportunity to enjoy life to the fullest and to improve your karmic future In life there are myriad opportunities for significant personal growth Spiritually

motivated beings living in difficult times on Earth may find themselves distracted from their true path of attaining a higher vibrational state of existence One of the strongest proponents of growth is to begin making individual choices based on self awareness and practical guidance Vital questions you can ask now include the following Who is the true you Who are you at your karmic core Who would you be without outside influences What is my true karmic purpose By asking yourself these questions you begin a process of deep spiritual development that will change what is important to you now and in your future Do not ask these questions lightly Once spoken the process begins **Secret of Regeneration** Hilton Hotema,1998

Jerusalem Yeshayahu Ben-Aharon,2019-05-29 The better I understand the roots of the Hebrew people and its universal human mission the better I shall understand the nature of humanity and its mission and the more human I become in the most universal sense anchored in a new spiritual knowledge and practice the more fulfilled active and creative I can be at the roots of my existence as a Jew and an Israeli Yeshayahu Ben Aharon Based on a remarkable series of lectures delivered in his native Israel Dr Ben Aharon presents his illuminating research on the meaning of Judaism and the spiritual mission of the Jewish people in the past present and future The Hebrew people have been a central root in the development not only of Judaism Christianity and Islam but of the universal human spirit itself Thus a new understanding of their development and contribution to the spiritual biography of humanity is essential to understanding ourselves as human beings The Jews were chosen to reveal the deepest secret of ancient times the existence of one God above all gods being the Creator of all human beings beyond race nation and gender in his divine image The great historical and spiritual figures of the Hebrew people Abraham Isaac Jacob Moses Joseph the Judges Kings and Prophets prepared humanity for individuation the true I AM through devotion to the divine foundation of the world The Lord our God is one who is to be loved with all one s heart soul and being Each person could now fulfill the Word which could be actualized on earth in the human being In Jerusalem Dr Ben Aharon describes the evolution of the Hebrew people and its role in the development of the human race The journey continues to the present day where the universal human Self has the potential to become a free participator in the ongoing creation of the universe **Secret Notes of a Guru** Samael Aun Weor,2025-01-01 This man in addition to committing the crime of healing the ill is also the author of a book entitled The Perfect Matrimony which is an outrage against public morality and the good customs of the citizens So stated the official document demanding the arrest and imprisonment of Samael Aun Weor So began his diary written from prison in which he documented his meditations and insights and the process of spiritual initiation related to his imprisonment This book is full of details about dream interpretation meditation degrees of initiation the awakening of the sacred fire and much more Most significantly he emphasized the necessity for spiritual aspirants to consume blessed food and drink at home that sacred meal known in every religion by names like communion eucharist kiddush tsog prasad etc He also provided a complete ritual for families to practice at home around their dinner table to invoke the help of the supreme savior known as Christ Avalokitesvara Quetzalcoatl etc Thus instead of

being cowed by the attempts of the dominate religions to suppress him they served to increase his efforts to help humanity resulting in this beautiful and deeply mystical book The Holy Eucharist should be practiced in the houses of all our Gnostic brothers and sisters Thus each home can become a Gnostic temple and the head of each family is a priest No more lodges no more schools no more sects no more infamies no more exploitation The temple is within ourselves and the High Priest is Christ When a group of people around a table are verifying the Holy Eucharist the ceremony reverberates in all the seven planes of cosmic consciousness and opens a channel through the seven worlds through which the sublime energies of the Solar Logos descend and thus the bread and wine become true accumulators of Christic atoms which upon reaching our stomach are diffused throughout our organism Christifying and sublimating it for the initiation Samael Aun Weor **Angels**
