Pirates of Colonial Newport Gloria Merchant, 2021-04-13 The stories behind

the legends are revealed in this history of Colonial era piracy and the double lives of those who sailed under the black flag. The story of Newport Rhode Island's pirates began with war ended with revolution and inspired swashbuckling legends for generations to come. From 1690 to the American Revolution many of Newport's fathers, husbands and sons sailed under the black flag. They sailed into foreign waters to return home from plundering the high seas to attend church and even serve in public offices. The citizens of Newport initially welcomed pirates with their exotic goods and gold to spend. But the community changed its tune when Newport's prosperous shipping fleet became a target of piracy in the early eighteenth century. The locals who had once offered safe haven were suddenly happy to cooperate with London's hunt for pirates. In this authoritative history author Gloria Merchant covers well known pirates like Thomas Tew as well as surprising ones such as Thomas Pain. Merchant also explores pirate lore from Captain Kidd's buried treasure to the largest mass hanging of pirates in the colonies at Gravelly Point.

The Pittsburgh Pirates Fred Lieb, 1948. An admirer of Pirate president Barney Dreyfuss, prolific baseball writer Frederick G. Lieb consorted with the club's biggest stars, christened the legendary Dreyfuss the first division man and produced *The Pittsburgh Pirates* one of the fifteen celebrated histories of major league teams commissioned by G. P. Putnam's Sons in the 1940s and 1950s. Originally published in 1948, Lieb's history ranges from the ball club's earliest professional days in the late nineteenth century as the Pittsburgh Alleghenies to its spring training session in preparation for the 1948 season, a span that included six National League pennants and two World Series championships as well as a loss to the Boston Red Sox, then the Pilgrims, at the inaugural World Series a century ago. This reprint of Fred Lieb's *The Pittsburgh Pirates* is an invitation for baseball readers to enjoy Lieb's wonderful stories of the great Pirate teams of the first half of the twentieth century. Writes Richard Pete Peterson in the new foreword to this edition, Lieb's book is rich with accounts of World Series triumphs and disappointments, of epic encounters on the playing field like that between Wagner and Cobb, of mutinies in the clubhouse, of courageous comebacks and of devastating defeats including the infamous homer in the gloaming. In Lieb's personable and anecdotal prose, honed over the course of his sustained sportswriting career, the book conveys baseball drama of the highest order, including the pre-Dreyfuss days of Captain Kerr, Ned Hanlon and Connie Mack, Dreyfuss's dynasty in the early twentieth century, the dramatic World Series triumphs of 1909 and 1925, the end of the Dreyfuss era and the sale of the club to a syndicate headed by John Galbreath and Bing Crosby, and the purchase of Hank Greenberg and the emergence of slugger Ralph Kiner. Aided by twenty-five black and white photographs, this rare history revisits the glories and stories of fabulous old Pirates such as Honus Wagner, Tommy Leach, Fred Clarke, Babe Adams, Max Carey, Kiki Cuyler, Pie Traynor, Paul and Lloyd Waner, and Arky Vaughan.

Clothes Make the Pirate Holman Day, 1925. *Pirates and Mutineers of the Nineteenth Century* Grace Moore, 2016-12-05. The first volume devoted to literary pirates in the nineteenth century, this collection examines changes in the representation of the pirate from the beginning of the nineteenth century through the late Victorian period. Gone were the dangerous ruffians of the eighteenth century novel and in their place emerged a set of

brooding and lovable rogues as exemplified by Byron's *Corsair*. As the contributors engage with acts of piracy by men and women in the literary marketplace as well as on the high seas they show that both forms were foundational in the promotion and execution of Britain's imperial ambitions. Linking the pirate's development as a literary figure with the history of piracy and the making of the modern state tells us much about race, class and evolving gender relationships. While individual chapters examine key texts like *Treasure Island*, Dickens's 1857 mutiny story in *Household Words* and *Peter Pan*, the collection as a whole interrogates the growth of pirate myths and folklore throughout the nineteenth century and the depiction of their nautical heirs in contemporary literature and culture.

The Pirate's Revenge Sarita Leone, 2016-06-03

Still grieving the loss of her father, Mary Sweet finds solace strolling the seashore at Quinn Beach. There she meets a handsome stranger who seems to share her sadness. He is utterly alone in the world and praying to assuage his grief with this change of scenery. Revenge is a strong motivator, especially for a man who's been mistreated his whole life. The promise of pirate's gold colors Henry Titchell's view yet not so much that he can't see the beauty in Miss Mary Sweet. But while Henry is a stranger to Lobster Cove, he has not stumbled upon the place as he would have Mary believe. Instead, he seeks retribution rather than rest. When Mary realizes the newcomer is not who he seems, will her heart be willing to forgive his sins?

Transnational connections in early modern theatre M. A. Katritzky, Pavel Drábek, 2019-11-25. This volume explores the transnationality and interculturality of early modern performance in multiple languages, cultures, countries and genres. Its twelve essays compose a complex image of theatre connections as a socially, economically, politically and culturally rich tissue of networks and influences. With particular attention to itinerant performers, court festival and the Black Muslim and Jewish impact, they combine disciplines and methods to place Shakespeare and his contemporaries in the wider context of performance culture in English, Spanish, French, Dutch, German, Czech and Italian speaking Europe. The authors examine transnational connections by offering multidisciplinary perspectives on the theatrical significance of concrete historical facts, archaeological findings, archival records, visual artefacts and textual evidence.
