hundred years the two families her own European settler family and the Oneida Mohawk family of Polly Denny who called the best land home Situated on the passageway to the west the ancestral land of the Oneidas was coveted by European colonizers and the founders of the Empire State The Brewer and Denny families took part in imperial wars the American Revolution broken treaties the building of the Erie Canal Native removal the rise and decline of family farms bitter land claims controversies and the revival of the Oneida Indian Nation As Brewer makes clear in *The Best Land* through centuries of violence bravery greed generosity racism and love the lives of the Brewer and Denny families were profoundly intertwined The story of this homeland she discovers unsettles the history she thought she knew With clear determination to tell history as it was without sugarcoating or ignoring the pain and suffering of both families Brewer navigates the interconnected stories with grace humility and a deep love for the land *The Best Land* is a beautiful homage to the people the place and the environment itself
