

Vocabulary From Henry Huggins

The word **said** is a verb, the past tense of say, which means to talk. We often use the word said in stories, but it is not very specific and doesn't paint a very good word picture, so we should not use it all the time. In the book Henry Huggins, Beverly Cleary uses many other words to show the way her characters said things instead of using "said." Our vocabulary for this book is a list of words you can write instead of "said."
