Live like me and you'll be happy Luigi Lupo,Amalia Oleastro,2023-06-19 Preface by Paola Severini Melograni Translation into English by Ferruccio Bruno I always thought about my son as a delicate flower that needs to be loved protected and cared for and that s what I intend to do as long as I m breathing But I also know this is not enough A flower tenacious as it may be could hardly survive on its own The wind will batter it dispersing its petals The heat will wither it and the chill of the night will freeze burn it Eventually weed will choke it out If on the other hand it grows surrounded by other flowers different in form and colours its beauty and fragrance would be enhanced by their presence Not only that its flower

friends will form a barrier around it preventing weeds and inclemencies from withering it That s the purpose of this book to encourage those who like me have the future of these special children at heart so that a flowerbed of solidarity may blossom around them helping them to face the hardest challenges of life *BROWN GIRL DREAMING* NARAYAN
