

California's Corrections System

Topic: Law | Words: 1418 | Pages: 5

Introduction

American Corrections

The American correction system refers to a collection of practices and approaches, which enable the government to maintain social order in the United States. Through giving people access to certain freedoms and restricting others, it became possible to help them live together in a society. American corrections serves the vital purpose of handling and responding to illegal acts, as well as providing people with a path toward rejoining regular society.

Ideologies of Punishment

In working with actions of people, and criminal acts, it is important to understand the goals one is trying to achieve, and how they influence people. In society, there have been a number of theories regarding the relationship between punishment and people. Some of them regard legal repercussions as a form of retribution for wrongdoing, an act that serves in filling a sense of eye-for-an-eye sense of justice many people have. According to other potential theories, legal consequences may be present as a method of deterrence, presenting a number of unwanted or negative side effects for committing a crime. The third, and the most socially-important punishment related ideology sees the justice system as a tool of rehabilitation. Providing people with the necessary services in order to improve their lives and continue on a new path forward, it becomes possible for many to rejoin society. In the US, retributive punishment, and punishment as deterrence seem to have taken root most firmly, as accounting for the existence of long unwieldy prison

The California State Prisoners Handbook, 2001 Handbook on Sentencing Policies and Practices in the 21st Century Cassia Spohn, Pauline Brennan, 2019-06-14 Sentencing Policies and Practices in the 21st Century focuses on the evolution and consequences of sentencing policies and practices with sentencing broadly defined to include plea bargaining judicial and juror decision making and alternatives to incarceration including participation in problem solving courts This collection of essays and reports of original research explores how sentencing policies and practices both in the United States and internationally have evolved explores important issues raised by guideline and non guideline sentencing and provides an overview of recent research on plea bargaining in the United States Australia and the United Kingdom Other topics include the role of criminal history in sentencing the past and future of capital punishment strategies for reducing mass incarceration problem solving courts and restorative justice practices Each chapter summarizes what is known identifies the gaps in the research and discusses the theoretical empirical and policy implications of the research findings The volume is grounded in current knowledge about the specific topics but also presents new material that reflects the thinking of the leading minds in the field and that outlines a research agenda for the future This is Volume 4 of the American Society of Criminology's Division on Corrections and Sentencing handbook series Previous volumes focused on risk assessment disparities in punishment and the consequences of punishment decisions The handbooks provide a comprehensive overview of these topics for scholars students practitioners and policymakers

Handbook on Prisons Yvonne Jewkes, Ben Crewe, Jamie Bennett, 2012-08-21 This is the most comprehensive and ambitious book on prisons to have been published a key text for anybody studying the subject and an essential work of reference for practitioners working in prisons and other parts of the criminal justice system It is especially timely in view of the many changes and debates about the role of prisons and their future organisation and management as part of the National Offender Management Service A key aim of the book is to explore a wide range of historical and contemporary issues relating to prisons imprisonment and prison management and to chart likely future trends Chapters in the book are written by leading scholars in the field and reflect the range and depth of prison research and scholarship Like the Handbook of Policing and Handbook of Crime Prevention and Community Safety the Handbook on Prisons will be the essential book on the subject

Document Retrieval Index, 1974 **Routledge Handbook on Offenders with Special Needs** Kimberly D. Dodson, 2018-05-11 Current estimates indicate that approximately 2.2 million people are incarcerated in federal state and

local correctional facilities across the United States There are another 5 million under community correctional supervision Many of these individuals fall into the classification of special needs or special populations e g women juveniles substance abusers mentally ill aging chronically or terminally ill offenders Medical care and treatment costs represent the largest portion of correctional budgets and estimates suggest that these costs will continue to rise In the community probation and parole officers are responsible for helping special needs offenders find appropriate treatment resources Therefore it is important to understand the needs of these special populations and how to effectively care for and address their individual concerns The Routledge Handbook of Offenders with Special Needs is an in depth examination of offenders with special needs such as those who are learning challenged developmentally disabled and mentally ill as well as substance abusers sex offenders women juveniles and chronically and terminally ill offenders Areas that previously have been unexamined or examined in a limited way are explored For example this text carefully examines the treatment of gay lesbian bisexual and transgender offenders and racial and gender disparities in health care delivery as well as pregnancy and parenthood behind bars homelessness and the incarceration of veterans and immigrants In addition the book presents legal and management issues related to the treatment and rehabilitation of special populations in prisons jails and the community including police citizen interactions diversion through specialty courts obstacles and challenges related to reentry and reintegration and the need for the development and implementation of evidence based criminal justice policies and practices This is a key collection for students taking courses in prisons penology criminal justice criminology and related areas of study and an essential resource for academics and practitioners working with offenders with special needs **Handbook of Gun**

Violence Nicholas D Thomson,2024-10-24 Handbook of Gun Violence provides a comprehensive review of the complex world of gun violence From its roots in epidemiology and public health to the intricacies of biopsychosocial risk factors to criminological and forensic considerations this book offers an interdisciplinary exploration of a pressing societal issue Sections cover everything from the history of firearm injury prevention research to the social political and policy implications surrounding gun violence This book focuses on evidence based strategies and emerging research areas and equips readers with the knowledge needed to navigate the complexities of gun violence prevention intervention research and policy With contributions from leading experts across various fields including scientists from the CDC and NIH this handbook provides invaluable insights into understanding preventing and addressing gun violence Provides an extensive review of gun violence statistics and trends Examines the biopsychosocial risk and protective factors for violence in youth and adults Reviews evidence based intervention and prevention programs for gun violence Assesses global policies for gun violence prevention and discusses the impact of funding and research on violence prevention **Handbook of LGBT Communities, Crime, and Justice** Dana Peterson,Vanessa R. Panfil,2013-12-04 Contemporary scholars have begun to explore non normative sexual orientation gender identity and gender expression in a growing victimization literature but very little research is

focused on LGBTQ communities patterns of offending beyond sex work and their experiences with police the courts and correctional institutions This Handbook the first of its kind in Criminology and Criminal Justice will break new ground by presenting a thorough treatment of all of these under explored issues in one interdisciplinary volume that features current empirical work **A Guide to Improved Handling of Misdemeanant Offenders** Tully L. McCrea,Don M.

Gottfredson,1974 *The National Manpower Survey of the Criminal Justice System: Corrections* National Planning Association,National Institute of Law Enforcement and Criminal Justice,1978 *Captive Nation* Dan Berger,2014-11-14 In this pathbreaking book Dan Berger offers a bold reconsideration of twentieth century black activism the prison system and the origins of mass incarceration Throughout the civil rights era black activists thrust the prison into public view turning prisoners into symbols of racial oppression while arguing that confinement was an inescapable part of black life in the United States Black prisoners became global political icons at a time when notions of race and nation were in flux Showing that the prison was a central focus of the black radical imagination from the 1950s through the 1980s Berger traces the dynamic and dramatic history of this political struggle The prison shaped the rise and spread of black activism from civil rights demonstrators willfully risking arrests to the many current and former prisoners that built or joined organizations such as the Black Panther Party Grounded in extensive research Berger engagingly demonstrates that such organizing made prison walls porous and influenced generations of activists that followed **Solidarity Beyond Bars** Jordan House,Asaf

Rashid,2022-11-15T00:00:00Z Prisons don t work but prisoners do Prisons are often critiqued as unjust but we hear little about the daily labour of incarcerated workers what they do how they do it who they do it for and under which conditions Unions protect workers fighting for better pay and against discrimination and occupational health and safety concerns but prisoners are denied this protection despite being the lowest paid workers with the least choice in what they do the most vulnerable among the working class Starting from the perspective that work during imprisonment is not rehabilitative this book examines the reasons why people should care about prison labour and how prisoners have struggled to organize for labour power in the past Unionizing incarcerated workers is critical for both the labour movement and struggles for prison justice this book argues to negotiate changes to working conditions as well as the power dynamics within prisons themselves

Federal Probation ,1989 **Corrections in the Community** Edward J. Latessa,Paula Smith,2011-01-17 Corrections in the Community is an introductory text that provides a solid foundation of the most recent and salient information available on the broad and dynamic subject of community corrections It explores the issues and practices facing community corrections using the latest research in the field in a way that makes it easy to use and understand This book provides students with a thorough understanding of the theoretical and practical aspects of community corrections Includes two new chapters highlighting what works in community corrections and how programs can be evaluated for effectiveness Contains contemporary real world examples illustrating successful methods that continue to improve community supervision and its

effects on different types of clients Organizes and explains the latest data on the assessment of offender risk need
responsivity and the training of corrections practitioners in bringing about positive change in offenders **How to Study**
