## **Study Guide For Extra Class Exam Questions:**

**Pass Your Amateur Radio Extra Class Test - The Easy Way** Craig Buck K4IA, 2016-08-04 CYBERMONTH SPECIAL  
Normally 17 95 Amateur radio license tests are multiple choice with three wrong answers and one right answer for each question Traditional test prep materials go through the questions and all the possible answers For the Extra test you see 712 questions and 2 848 answers but 2 136 answers are wrong Why be confused and frustrated studying three wrong answers for every one right answer Pass Your Amateur Radio Extra Class Test The Easy Way is different The focus is on the right answers and only the right answers This is especially important on the Extra Class test because there are so many questions lots of which can only be answered by remembering The book is in two parts The first explains the concepts covering every single test question with hints and cheats to help you recognize the correct answer The second part is a condensed Quick Summary with only the questions and correct answers again with hints and cheats Since you never see the wrong answers the correct answers will pop out when you take the test You learn to recognize not memorize the right answer It couldn't be easier

*Quick Study for Your Extra Class Amateur Radio License* Aleksandra Rohde, 2014-05-01 Quick Study for Your Extra Class Amateur Radio License is the only study guide or manual you need to take and pass the extra class exam It is a quick and easy way to study presented in three easy steps with valuable references and additional study hints Also included is the complete and official Extra Class Question Pool effective July 1 2012 to June 30 2016 This is important because all the questions and their correct answers are taken VERBATIM from the question pool for the exam Learn the questions and their right answers and you will sail through the exam Whether you are just beginning to study for the exam or in need of a last minute refresher this is the manual for you **The ARRL Extra Class License Manual for Ham Radio** H. **Technician, General, Extra Class Ham Radio Exams, and the Volunteer Examiner's Test** Joseph Lumpkin, 2012  
Technician Class pool valid until June 30 2018 General Class pool valid until June 30 2015 Extra Class pool valid until June 30 2016 Don't think of a black cat Don't think of a black cat Do not think of a black cat The brain does not process negatives very well It takes in information first and then later attempts to filter out false data To expose someone to incorrect answers on a test is to place fraudulent information in memory and then say to the brain Don't remember these answers It is for this reason the only answers you will encounter in this book are the correct ones For those who wish to memorize only the answers there are no formulas needed no math no electronics or theories to learn This manual contains the answers to all possible questions in all tests from Technician Class General Class and Extra Class license tests In addition the manual also provides the answers to the Volunteer Examiner's test However many people want to know why and many need a framework on which to relate the answers That is why this book is arranged so that theories formulas rules and regulations are

explained in separate chapters General theories and concepts of electronics and antenna design along with F C C regulations are presented to the reader Formulas explanations and diagrams from various sources give the reader all the information needed to pass the licensing tests all in one book This is a two pronged approach You chose the path that is best for you
