Frindle - Literature Kit Gr. 3-4 Staci Marck,2009-12-01 Make learning about words fun again with a clever tale about a

boy who invents a new word for the dictionary Our resource is ready made saving you time when preparing a lesson plan for this novel Set a purpose for reading by establishing which vocabulary words students are not familiar with Show your comprehension of the novel with multiple choice questions In a journal prompt use your critical thinking skills to predict what career Nick will have when he grows up Understand the difference between similes and metaphors by writing your own in a writing task Share your favorite part of the story by drawing a cartoon strip Aligned to your State Standards and written to Bloom s Taxonomy additional crossword word search comprehension quiz and answer key are also included About the Novel Frindle is the story of a clever time wasting schemer s innovative plan to create his own word for the dictionary Ten year old Nick Allen has a reputation for developing ingenious plans that distract teachers For the first time ever his diversions fail to create the desired results in Mrs Granger s fifth grade language arts class Instead of distracting her he ends up with an extra assignment and oral presentation on how new entries are added to the dictionary Surprisingly the boring assignment leads to Nick s most clever idea yet when he decides to create his own new word frindle Nick recruits five fellow students to support his efforts in changing the name of pen to frindle Their insistence on referring to pens as frindles causes a major commotion when Mrs Granger s passion for vocabulary and strict emphasis on the correct use of language result in a battle of wills that threatens to disrupt the whole school Their war of words spreads beyond the school resulting in after school punishments a home visit from the principal national publicity economic opportunities for local businessmen and eventually inclusion in the dictionary

The School Story David Aitchison,2022-02-04 The School Story Young Adult Narratives in the Age of Neoliberalism examines the work of contemporary writers filmmakers and critics who reflecting on the realm of school experience help to shape dominant ideas of school The creations discussed are mostly stories for children and young adults David Aitchison looks at serious novels for teens including Laurie Halse Anderson s *Speak* and Faiza Gu ne s *Kiffe Kiffe Tomorrow* the light hearted middle grade fiction of Andrew Clements and Tommy Greenwald and Malala Yousafzai s autobiography for young readers *I Am Malala* He also responds to stories that take young people as their primary subjects in such novels as Sapphire s *Push* and films including *Battle Royale* and *Cooties* Though ranging widely in their accounts of young life such stories betray a mounting sense of crisis in education around the world especially in terms of equity the extent to which students from diverse backgrounds have fair chances of receiving quality education and empowerment the extent to which diverse students are encouraged to gain strength confidence and selfhood as learners Drawing particular attention to the influence of neoliberal initiatives on school experience this book considers what it means when learning and success are measured more and more by entrepreneurship competitive individualism and marketplace gains Attentive to the ways in which power structures institutional routines school spaces and social relations operate in the contemporary school story *The School Story* offers provocative insights into a genre that speaks profoundly to the increasingly precarious position of education in the twenty first century
