Goodnight mister Tom is a historical fiction written by Michelle Magorian. It was published by puffin in 1981 and has 357 pages. Michelle Magorian won the guardian's literature prize amongst some other prizes for Goodnight Mister Tom, it is also known as a puffin classic . Goodnight Mister Tom was also made into a film in 1998. In the back of the book I found an 'extra extra read all about it' page which said that Michelle Magorian was looking at a thin, pale beech tree thinking what kind of person it may be. This is how she created William Beech, the main character. Mr Oakley also known as Mr Tom was inspired by an oak tree.

Goodnight Mister Tom is set in World War 2 it takes place in London and in a small country village called little weirwold. William Beech a shy, skinny boy is the main character.in the book his cruel mother, who often beats him with a belt, sends him off as an evacuee like many other children. His mother is very religious and insists that he is sent to a person who lives near a church. William is sent to an old widower called Mr Tom Oakely. When William first arrives in little weirwold he is terrified of everything he is bullied in school and often wets his bed at night. William's mother sends a letter to Mr Tom saying that William can be whipped by a belt if he is naughty Mr Tom is shocked and angered by this especially after seeing all the Bruises and bumps on William's body. The next day, at school Mr Tom finds that william cannot read or write and that he has a passion for art. William also makes his first friend an evacuee like himself called Zach Wrench. However, Zach is loud, confident and talks too much the opposite of William. On William's birthday he receives lots of presents from the people of the village, his favorite being the art apparatus he gets from Mr Tom. Over the next few weeks he makes friends with some local children; George a boy who loves animals and music; Ginnie is twins with Carrie, Ginnie likes sewing, cooking and other chores women would do and Carrie loves plants and she believes that women should have the same opportunities as men and she ends up going to a private girls school with a scholarship.
