Bible Study Guide: Galatians Andrew J. Lamont-Turner, The core message of the book of Galatians revolves around the concept of spiritual freedom attained through justification by grace through faith This profound truth liberates believers from the constraints of the Old Testament Law Paul vehemently condemns any attempt to undermine God s grace or alter the purity of the gospel Galatians 1 8 10 To reinforce his authority as an apostle Paul recounts his divine calling and emphasises that righteousness is not achieved through adherence to the Law but through faith in Christ alone Galatians 1 11 2 14 2 21 He urges the Galatians to guard their independence and resist being burdened again by the yoke of bondage represented by the Mosaic law Galatians 5 1 However Paul also emphasises that Christian freedom should not be misconstrued as a license for indulging in sinful behaviour Instead it presents an opportunity to express love and serve one another Galatians 5 13 6 7 10 The Christian life is to be lived under the guidance of the Holy Spirit not the desires of the flesh Galatians 5 16 18 Crucially Paul underscores the transformative power of Christ s crucifixion highlighting that believers are united with Christ in His death leading to the production of spiritual fruit by the indwelling Spirit Galatians 2 20 This spiritual fruit serves as evidence of a life lived in alignment with the grace and freedom found in Christ

Study Galatians Jason Dexter, 2020-08-19 The Galatian church had started well But false teachers had infiltrated the body teaching that Christians had to follow the law The core tenets of the gospel were at stake Is salvation by works or by grace Does a Christian need to follow the law What is the importance of religious rituals to believers Paul answers these questions and more This Galatians Bible study guide goes verse by verse through each passage You will gain a deeper understand of important Biblical truth like salvation by grace through faith The goal of study is obedience So each lesson contains suggestions for application in order to encourage life transformation With over fifteen years of leading small group Bible studies through over thirty books of the Bible Moody graduate Jason Dexter has developed this practical teaching aid filled with resources to help you get the most out of Galatians This inductive Bible study series contains 12 practical lessons which can be studied weekly by yourself or with a group Discovery questions for each passage which are designed to encourage discussion or personal reflection on each week s Scripture Thematic and relevant cross references which add insight and

reinforce each week's text Teaching points and observations to help you understand the text in a deep but practical way Emphasis is placed on obedience throughout Many practical applications designed to encourage life transformation based on each passage Bible study guide useful for personal growth or as a teaching aid for small groups Galatians Bruce G. Epperly, 2016-09-16 With this volume on Paul's Letter to the Galatians Dr Bruce Epperly author of *Philippians A Participatory Study Guide* *Finding God in Suffering* *A Journey with Job* and *Transforming Acts* Acts of the Apostles as a 21st Century Gospel again brings the study of a Bible book to life for a 21st century audience Epperly founds his work in the results on modern critical scholarship but he's not content with reciting scholarship or discussing history He aims to make the study of this theologically central letter a transformative experience He does so by never losing sight of the fact that human problems remain human problems and that human potentiality touched by God's grace can accomplish great things He finds a message of liberation in this book Liberation from our guilt yes but also liberation from our self imposed limitations Through reading discussion exercises and thought questions he leads the reader through a study that can only be described as an adventure It is an adventure you won't want to miss **Galatians Study Guide with DVD** Jada Anae Edwards, 2020-08-11 Do you understand what people mean when they say you are Free in Christ Are you living led by the Spirit or lost in the world Is your life bearing good fruit Most of us struggle to truly understand how it is we can know freedom without a set of rules to follow and even more so how to let go of the rules of this world and simply follow the Spirit into growth and blessing Bible teacher and author Jada Edwards digs into the book of Galatians where we learn what freedom in Christ really means how saying yes to the conviction and guidance of the Holy Spirit establishes this freedom and how through the Spirit we affect our communities and those around us in his name The Holy Spirit tells us when to keep silent or speak up to apologize take risks take rest to say yes or no and so much more He gives us direction in the big dreams and in the daily steps What fruit we yield is the final evidence of our freedom in Jesus Christ Connecting these dots is paramount to our experience of true freedom and it takes a renewed understanding of what freedom Jesus really brings We won't see different behavior in ourselves nor a different response from the world until we stand on this freedom and say no to anything less than the Gospel The Book of Galatians teaches how yielding our desires to the work of the Holy Spirit within us encourages our faith sets us free and results in our lives being sources of change in the world around us This pack contains one study guide and one DVD

Galatians; A Participatory Study Guide Bruce G Epperly, 2015-07-10 How can a 1st century letter speak to the needs of a 21st century audience Galatians has been a central book of the Bible for many Christian theologians This book brings it powerfully into the present With this volume on Paul's Letter to the Galatians Dr Bruce Epperly author of *Philippians A Participatory Study Guide* *Finding God in Suffering* *A Journey with Job* and *Transforming Acts* Acts of the Apostles as a 21st Century Gospel again brings the study of a Bible book to life for a 21st century audience Epperly founds his work in the results on modern critical scholarship but he's not content with reciting scholarship or discussing history He aims to make

the study of this theologically central letter a transformative experience He does so by never losing sight of the fact that human problems remain human problems and that human potentiality touched by God's grace can accomplish great things He finds a message of liberation in this book Liberation from our guilt yes but also liberation from our self imposed limitations Through reading discussion exercises and thought questions he leads the reader through a study that can only be described as an adventure It's an adventure you won't want to miss *Study-guide to Galatians* John Bligh,1969

Moore,2020-12-10 This study guide explores the origins and reception history of the Book of Revelation and its continuing fascination for readers from both religious and secular backgrounds Stephen D Moore examines the transcultural impact Revelation has had both within and beyond Christianity not only on imaginings of when and how the world will end but also on imaginings of the risen Jesus heaven and hell Satan the Antichrist and even Mary the mother of Jesus Moore traces Revelation s remarkable reception through the ages with special emphasis on its twentieth and twenty first century appropriations before resituating the book in its original context of production Who wrote it where when why and modelled on what The study guide culminates with a miniature commentary on the entire text of Revelation weaving together liberationist postcolonial feminist womanist queer and ecological approaches to the book in order to discern what it might mean for contemporary readers and communities concerned with issues of social justice **Ephesians: An Introduction and Study Guide** Stephen E. Fowl,2017-01-12 In this guide Stephen E Fowl introduces students to both theological fruit and critical issues of the letter to the Ephesians On the theological front Fowl shows how Ephesians offers an unparalleled cosmic vision of the significance of the death and resurrection of Jesus of the role of heavenly powers in the universe and of how the community of Christians is to engage with those powers Fowl also opens up the major identity questions Ephesians shows existed for early Christians how to conceive the relationship of Gentiles with the Jews from among whom their faith emerged and how to live as a Christian within households ordered on patriarchal lines while not capitulating to patriarchy On the critical front Fowl provides an introduction to the key critical questions and issues such as whether this letter was actually written to a church in Ephesus and whether Paul the apostle was indeed the author of the letter Yet whilst there are demanding linguistic historical and cultural questions to be answered Fowl is careful to point out that this should not be done at the expense of reading the text closely and appreciating its meaning and message Hebrews: An Introduction and Study Guide Amy L. B. Peeler,Patrick Gray,2020-01-09 This volume offers a compact introduction to one of the most daunting texts in the New Testament The Letter to the Hebrews has inspired many readers with its encomium to faith troubled others with its hard sayings on the impossibility of a second repentance and perplexed still others with its exegetical assumptions and operations drawn from a cultural matrix that is largely alien to modern sensibilities Long thought to be Paul the anonymous author of Hebrews exhibits points of continuity with the apostle and other New Testament writers in the letter s or sermon s vision of life in the light of the crucified Messiah but one also finds distinctive perspectives in such areas as Christology eschatology and atonement Gray and Peeler survey the salient historical social and rhetorical factors to be considered in the interpretation of this document as well as its theological liturgical and cultural legacy They invite readers to enter the world of one of the boldest Christian thinkers of the first century **Ezra-Nehemiah: An Introduction and Study Guide** Lena-Sofia

Tiemeyer,2017-08-10 This guide to Ezra and Nehemiah showcases the latest developments and most up to date scholarship on these important texts Ezra and Nehemiah tell the story of the people in Yehud in the 6th and the 5th centuries BCE This was a time of economic hardship The people living in and around Jerusalem were scratching out a living in a land that had been devastated by war It was also a time of soul searching Having lost their political autonomy and national identity the people in Yehud had to find new ways of understanding and shaping their identity Ezra and Nehemiah provide glimpses of these issues by way of an assortment of narratives lists letters and other types of records The readers encounter different voices and different opinions Lena Sofia Tiemeyer provides an overview of the various texts and the topics concerns and disputes that they reflect The guide also zooms in on select key issues pertaining to the development of the text its historical background s the quest for identity and its afterlife in Jewish and Christian traditions

1 Peter: An Introduction and Study Guide Elisabeth Schüssler Fiorenza,2017-01-12 The New Testament writing known as First Peter was probably written at the end of the 1st century CE it is addressed to resident aliens who live as colonial subjects in the Roman Province of Asia Minor They are portrayed as a marginalized group who experience harassment and suffering This letter is ascribed to the apostle Peter but was probably not written by him It is a rhetorical communication sent from Christians in the imperial centre in Rome camouflaged as Babylon an authoritative letter of advice and admonition to good conduct and subordination in the sphere of colonial provincial life 1 Peter is a religious document written a long time ago and in a culture and world that is quite different from our own However as a biblical book it is a part of Christianity s sacred Scriptures This guide to the letter keeps both of these areas the cultural social and the ethical religious in mind It offers help for understanding the letter as both a document of the 1st century and as sacred Scripture that speaks about the religious forces that have shaped Christianity and Western culture In short this guide seeks to enable readers to read against the grain

2 Corinthians: An Introduction and Study Guide Jay Twomey,2017-01-12 This guide considers the historical contexts the literary forms the social and rhetorical backgrounds the politics the theologies and the reception of 2 Corinthians Each chapter surveys recent scholarly approaches to the text focussing especially on critical perspectives that mesh with our contemporary concerns about gender identity race and class 2 Corinthians becomes in the process less the work of a single 1st century writer than a set of fraught even fractured negotiations between competing interests and impulses conducted in Paul s voice The last chapter brings the letter into conversation with Nathaniel Hawthorne s short story The Minister s Black Veil in order to shift the terms of the critical discussion from what Paul meant to how Paul means in later cultural moments Twomey introduces students to the way 2 Corinthians offers a fascinating but fragmentary glimpse into Paul s continuing ties with the Corinthian community At the same time Twomey shows how the letter is the site of many new critical challenges to traditional readings of Paul and early Christianity In contrast to 1 Corinthians this 2 Corinthians largely eschews the debates and discussions the interests and concerns of Paul s correspondents Instead we find Paul engaged in a multi pronged defence of his ministry in

and beyond Corinth Over the course of thirteen chapters he runs the gamut of the emotions rhetorically from tears to joy to biting anger while struggling to keep his relationship with some say his control over the community intact Colossians: An Introduction and Study Guide Janice Capel Anderson, 2018-12-27 This guide introduces readers to key issues in the interpretation and reception of Colossians Anderson first explores the issue of Pauline authorship She challenges readers to reflect on why the question of authorship has dominated scholarship as well as why and how interpreters create stories about the letter Second Anderson examines rhetoric and context She asks readers to consider how the letter constructs and seeks to persuade its addressees past and present She surveys several pictures of the first audience and opponents Finally Anderson delves into the functions of the Colossian household code its reception and the ethics of interpretation
