important focus of the International Handbook of Urban Education will be the interrogation of both the social and political factors that lead to different problem posing and subsequent solutions within each region An important question to be answered for example is what it takes in terms of resources political will and policy actions to improve urban education

and political changes in a Southern Africa country The school became a pioneering multi racial institution in white Rhodesia shared the sufferings of the country during the bush war expanded greatly in the new Zimbabwe survived the contradictions of a black Marxist government and has kept its firm commitment to being a Church School Despite the uncertainties and challenges of the new century this is a story of faith and vision imwe imba - the other room Munashe Wadzanai, Anne Schlechters, Thomas F. livelihoods making a mockery of global medicine and causing the widespread despair and helplessness that has come to be known as the new normal Unlike the other pandemics the mayhem complexities and dialectics caused by Covid 19 have been matchless requiring a systematic study and necessitating a volume like this one The volume s 16 well researched chapters argue that despite Covid 19 s enormous lessons and predictions about even greater future pandemics humanity can ill afford to relent in its determination to conquer the pandemic in the same way that human resolve has defeated past pandemic As such the volume provides hope and direction to the global community on how best to deal with Covid 19 and pandemics of similar or even higher magnitude in the future
