Sapientia Astrologica: Astrology, Magic and Natural Knowledge, ca. 1250-1800 H Darrel Rutkin, 2019-04-24 This book explores the changing perspective of astrology from the Middle Ages to the Early Modern Era It introduces a framework for understanding both its former centrality and its later removal from legitimate knowledge and practice The discussion reconstructs the changing roles of astrology in Western science theology and culture from 1250 to 1500 The author considers both the how and the why He analyzes and integrates a broad range of sources This analysis shows that the history of astrology in particular the story of the protracted criticism and ultimate removal of astrology from the realm of legitimate knowledge and practice is crucial for fully understanding the transition from premodern Aristotelian Ptolemaic natural philosophy to modern Newtonian science This removal the author argues was neither obvious nor unproblematic Astrology was not some sort of magical nebulous hodge podge of beliefs Rather astrology emerged in the 13th century as a richly mathematical system that served to integrate astronomy and natural philosophy precisely the aim of the New Science of the 17th century As such it becomes a fundamentally important historical question to determine why this promising astrological synthesis was rejected in favor of a rather different mathematical natural philosophy and one with a very different causal structure than Aristotle's

Friendship in Medieval Iberia Antonella Liuzzo Scorpo, 2016-04-15 Private and public relationships frequently labelled as friendships have always played a crucial role in human societies Yet over the centuries ideas and meanings of friendship transformed adapting to the political and social climates of different periods Changing concepts and practices of friendship characterized the intellectual social political and cultural panorama of medieval Europe including that of thirteenth century Iberia Subject of conquests and Reconquest land of convivencia but also of political instability as well as of secular and religious international power struggles the articulation of friendship within its borders is a particularly fraught subject to study Drawing on some of the encyclopaedic vernacular masterpieces produced in the scriptorium of The Wise King Alfonso X of Castile 1252-84 this study explores the political religious and social networks inter faith and gender relationships legal definitions as well as bonds of tutorship and companionship which were frequently defined through the vocabulary and rhetoric of friendship This study demonstrates how the values and meanings of amicitia often associated with classical Roman

Visigothic and Eastern traditions were transformed to adapt to Alfonso X's cultural projects and political propaganda. This book contributes to the study of the history of emotions and cultural histories of the Middle Ages while also emphasizing how Iberia was a peripheral but still vital ring in a chain which linked it to the rest of Europe while also occupying a central role in the historical and cultural developments of the Western Mediterranean.

Transformez votre relation pour devenir des âmes sœurs Arielle Ford, 2018-03-30 00:00:00-04:00 Tomber amoureux et se marier, c'est une chose. Former un couple heureux est une toute autre affaire. Tel est le but de *Transformez votre relation pour devenir des âmes sœurs* : aider les couples à trouver le bonheur et un juste milieu entre l'amour romantique et irréaliste décrit dans les contes de fées et une union où l'exaspération, la colère et la déception s'installent et font obstacle au bonheur et à l'épanouissement. Cette fin d'année, Arielle Ford, auteure du livre succès *The Soulmate Secret*, nous fait part non seulement de ce qu'elle a appris de son propre mariage mais aussi de conseils recueillis auprès d'amis ou d'experts en la matière tels que Harville Hendrix, John Gray, la docteure Helen Fisher, Neale Donald Walsch et Marianne Williamson. Elle définit ce qu'est une relation saine et explique comment y travailler et y parvenir, montrant ainsi que le mariage n'est peut-être pas un conte de fées mais que l'amour véritable peut être nettement plus satisfaisant.
