Stephen King grew up in Bangor, Maine. His father, a mechanical engineer, died for heart disease. Stephen was the only child and became the family's emotional center. He wrote his first novel, *Carrie*, while in high school and later moved to Maine with his wife Tabitha. The publication of his first novel, *Carrie*, in 1974 changed King's life and made him a household name. Since then, he has written over 50 novels and numerous short stories. He has also written screenplays and has been adapted for film. King is one of the most successful and prolific authors in the world, with a large and dedicated fan base.
