

JOHN 3:16

...he lifted up, ¹⁵ that whoever believes in him may have eternal life. ¹⁶ For God so loved the world that

he his only Son, that whosoever in him should not perish but have eternal life. ¹⁷ For God sent the Son into the world, not to condemn the world, but to save it: that whosoever believes in him should not perish but have eternal life.

...that the world might not see him. ¹⁸ He who does not believe in him is condemned already, because he has not believed in the Son of God who has come into the world.

SCM Studyguide: Theology in the Contemporary World Ben Pugh, 2017-11-30 No sooner have they mastered the basics than students of theology can quickly find themselves in over their heads They are bombarded with claim and counter claim as soon as they want to tackle anything topical The contentious subjects tend to be the historical Jesus gender and sexuality or the atonement Other subjects might be less contentious but attract an astonishing excess of literature Take the vast literature tackling the subject of the Church for instance or the bloated body of tomes on various aspects of Pneumatology This book tries to provide the bewildered and intimidated student with a primer that is at once introductory and incisive approachable and informative It will help those training for ministry to recover their fascination for the subject of theology and how it could apply to their future ministry Subjects covered include The Quests for the Historical Jesus Third Article Theology The Missional Church Liberation Theology Feminist LGBT and Queer Approaches Postmodern Faith and the Emerging Church Nonviolent Atonement

Jeremiah: An Introduction and Study Guide Mary E. Mills, 2017-01-12 This guide provides a concise introduction to the ways the book of Jeremiah has been interpreted by scholars and to new possibilities of interpretation still open to readers Outlining approaches the reader encountering the book may best adopt Mary E Mills moves into the reception of the prophetic book in the modern period The role of historical criticism has been fundamental but she shows how it should be supplemented by recent explorations into the rhetorical structures and devices by which the book communicates its messages Historically oriented scholars drew upon the book as a record of the words and career of a prophet in monarchical Judah Literary investigation on the other hand focuses on the mood and tone of the literary work Both interpretative strands acknowledge the persistence of a mood of terror and fragmentation within Jeremiah the result of its origins in a period of great political upheaval Examination of the poetic devices a society uses to process its social and cultural trauma leads the reader to a deeper appreciation of the variety of sources and genres found in Jeremiah This study guide provides reading tools which readers can then develop at their own pace

A Guide to the Study of the Christian Religion William Herbert Perry Faunce, 1916

If This Is the Way the World Works William O. Avery, Beth Ann Gaede, 2007-11-19 In *If This Is the Way the World Works* William O Avery and Beth Ann Gaede ask two primary questions First what principles from science are so broadly accepted that scientists themselves are willing to say This is the way the world works Second how do congregations and their leaders behave when they operate in concert with these seemingly universal principles Avery and Gaede explore five principles from the philosophy of science that suggest an alternative way to view congregational mission and leadership openness to new information complexity diversity interrelatedness and process Their premise is that when faith communities align themselves with the way the world God s world works they more faithfully carry out their vocations as witnesses to God s reconciling work and as servants to one another By following these basic scientific principles Avery and Gaede argue we arrive at a different view of leadership in the church If this is truly the way the world works leaders will find strength through relationships hope in diversity and above all trust in the love of God
