

Chapter 9: The Market Revolution

1800-1840

A New Economy

Series of innovations in transportation & communication - previously very rugged, transportation v slow - Market Revolution started in colonial economy when settlers moving Westward struggle w/ marketing their goods, most farms are self sufficient

Roads & Steamboats

- ★ Construction of toll roads funded by locality, state, & private businesses
 - However, not v profitable due to slowness, water transportation better
- ★ Invention of the steamboat, canal, railroad, & telegraph: encourages settling & selling of goods
- ★ Robert Fulton engineers a successful steamboat design, his ship *Clermont* is demonstrated in 1807 on the Hudson River from NYC to Albany
 - Commerce now can go upstream

The Erie Canal

- ★ Remarkable engineering allows goods to flow from Great Lakes to NYC, attracts lots of migrating farmers w/ cities such as Buffalo, Rochester, & Syracuse popping up along the canal - connects natural bodies of water
- ★ NY state financed, causes huge growth of market economy & sets as edge over competing ports - huge reduction of cost of transportation
 - Developing transportation infrastructure mainly funded by states
 - 1787-1860 fed gov spends \$60 mill while states spend 10x
- ★ Completion of Erie Canal makes other states scramble to catch up too - some borrow \$ to catch up, later leads economic depression in 1837

Railroads & the Telegraph

- ★ Opens up new areas to settle in America while growing mining business for coal & manufacturing of iron
 - South Carolina Canal & Railroad grows to 30,000 miles by 1860, more than rest of the world combined
- ★ Simultaneous invention of the telegraph by NYC scientist Samuel Morse in 1830 allows instant communication throughout the nation
 - Initially used for groups rather than individuals - speeds flow of information & makes prices throughout the country uniform

The Rise of the West

- ★ Huge migration: 4.5 million ppl cross Appalachian Mountains after War of 1812

Promise, Volume 2: From 1865 James L. Roark, Michael P. Johnson, Patricia Cline Cohen, Sarah Stage, Alan Lawson, Susan M. Hartmann, 2011-04 In response to the ever changing challenges of teaching the survey course Understanding the American Promise combines a newly abridged narrative with an innovative chapter architecture to focus students attention on what s truly significant Each chapter is fully designed to guide students comprehension and foster their development of historical skills Brief and affordable but still balanced in its coverage this new textbook combines distinctive study aids a bold new design and lively art to give your students a clear pathway to what s important *A Study Guide for Isaac Bashevis Singer's "Spinoza of Market Street"* Gale, Cengage Learning, A Study Guide for Isaac Bashevis Singer s Spinoza of Market Street excerpted from Gale s acclaimed Short Stories for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Short Stories for Students for all of your research needs **AP* U.S. History Review and Study**

Guide for American Pageant 14th edition Mill Hill Books, **AP* U.S. History Review and Study Guide for American Pageant 12th edition** Mill Hill Books, **Reader's Guide to American History** Peter J. Parish, 2013-06-17

There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader's Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of American history **The Americans** ,2003 A Study Guide for Christina Rossetti's "Goblin Market" Gale, Cengage Learning, 2016 A Study Guide for Christina Rossetti's Goblin Market excerpted from Gale's acclaimed Poetry for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Poetry for Students for all of your research needs Man, Economy, and State with Power and Market - Study Guide , Study Guide for Macroeconomics 2e Timothy D. Tregarthen, John Brock, Dale Deboer, 2000-01-15

Macroeconomics (With Study Guide Cd-rom) Jagdish Handa, 2010-09-24 This book presents the stylized facts on the important variables output inflation money supply and interest rates etc of the macro economy and uses them to differentiate how well particular economic theories perform or fail to do so On the determination of aggregate demand this book presents two approaches the traditional IS LM analysis under the assumption that the money supply is exogenous because the central bank uses its monetary policy to control it and the emerging IS IRT analysis under the assumption that the interest rate is the exogenous monetary policy variable set by the central bank to manipulate aggregate demand in the economy The IS IRT analysis is important for the macro analyses of many economies yet is totally neglected in most textbooks on macroeconomics The chapter on Paradigms in Economics introduces students to the heritage of ideas in macroeconomics and the evolution of ideas and approaches over the last two centuries It also provides the justification for the simultaneous relevance of both Classical ideas and Keynesian ones The two growth theory chapters go beyond the Solow growth model to cover the broad evolution of growth from Malthus's theory to the present endogenous approaches and the link between money supply inflation and growth over very long periods *Digital SAT Study Guide Premium, 2024: 4 Practice Tests + Comprehensive Review + Online Practice* Brian W.
