RICK RENNER

There are many people today who claim to be an apostle or a prophet. But are they? Are these fivefold ministry gifts still active today, and if so, how can we tell the difference between those who are real and those who are fake? In this landmark series, Rick reveals the ancient historical roots of the word "apostle" and identifies six authenticating proofs of genuine apostleship. He also unveils the four inherent meanings of the word "prophet" and distinguishes how prophets do and do not operate. Get ready to be surprised as you discover the identity of numerous New Testament apostles and prophets, many of which you've never seen before.
