Section 1

Discuss and answer the following thoughtfully and thoroughly (these will require at least one hefty paragraph each, if not more than one paragraph—do not skimp). All responses must cite evidence from the text (with page number) to support and illustrate your answer.

1. Describe in depth the world in which Winston lives: family, politics, economy, atmosphere, whatever else that struck you as notable or strange. Utilize specific examples (with page numbers) from the text to illustrate your point.
2. Describe the government of Oceania. How is it organized into ministries? Describe each. Overall, what seems to be the function and the goals of their government? How are these achieved?
3. Winston doesn't seem to fit well within this world. What's his problem? How does he seem to compare to other characters in this regard?
4. Compare the members of the Party with the proles. What characterizes each group? How is each controlled? Why is the government less concerned about the proles?
5. Orwell is particularly interested in language as a means of controlling a people. Describe Newspeak, how it operates and how it would function to control thought. What about doublethink?
6. Explain the party slogan: "Who controls the past controls the future; who controls the present controls the past."
